History vs. Apologetics David Cymet, 2012-07-10 Set within the context of the political and ideological developments of the time History vs Apologetics examines the role played by the Catholic Church in the rise and consolidation of the Third Reich and in particular with regard to the Nazi persecution of the Jews Distanced in the beginning the Catholic Church and the Nazi party drew closer as Hitler's popularity increased At the ratification of the Concordat in Rome a commitment not to interfere with the Nazis Final Solution to the Jewish Question was traded for a verbal promise from Berlin to exclude the baptized converts While the Nazi government violated the Concordat at every turn the Church kept zealously its promise Pope Pius XII never mentioned the persecuted Jews by name and denied any knowledge of the annihilation of the Jews Even after the war Pius XII refused to condemn anti-Semitism and Germany's role in the Holocaust Instead the Vatican engaged in the protection of genocide perpetrators and assisted in their mass escape David Cymet's comprehensive critical analysis of the polemical literature on the topic makes it possible to separate legitimate history from apologetic allegations and misrepresentations bringing to light key elements of Church policy that is intentionally misinterpreted by apologists By surveying the Church's policy from just before the rise of Nazism to the present Cymet demonstrates how the Nazis were able to turn the Catholic Church into their ally in their war against the Jews

mobsters kings and prime ministers and a set of moral and political circumstances that clarify not only the church's aims and ambitions but reflect the larger tensions of more recent history And Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed to overcome the resistance to change in the Vatican's Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire As exciting as a mystery thriller Providence Journal this book reveals with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of extreme wealth and power

Joseph, 2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus embedded in Paul s letters and the New Testament Gospels represents the ethnic social cultural and theological conflicts that facilitated the construction of Christian identity Readers of this book will gain a thorough

understanding of how a central theme of early Christianity the Jewish rejection of Jesus facilitated the emergence of Christian anti Judaism as well as the complex and multi faceted representations of Jesus in the Gospels of the New Testament This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development Employing the social psychological study of social rejection social identity theory and social memory theory Joseph sheds new light on the inter relationships between myth history and memory in the study of Christian origins and the contemporary re construction of the historical Jesus A Social History of Christian Origins is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity Adolf Hitler: Hirohito Jean Sénat Fleury,2019-12-27 Hirohito The Trial of the Emperor is a book of information and training a reference book that should be read as an educational tool on Japan s war in Southeast Asia and the Pacific The book opens the debate on Hirohito s responsibility during World War II with a posthumous trial against the Japanese emperor before the Permanent Peoples Court for crimes against peace war crimes and crimes against humanity Career judge teacher writer Jean S nat Fleury was born in Haiti and currently lives in Boston A former intern at the National School of Magistrates Paris and Bordeaux he has held various positions within the Haitian judiciary He was in turn a trainer at the National Police Academy 1995 1996 and director of studies at the School of Magistrates of P tion Ville 2000 2004 Author of the book on The Stamp Trial he wrote several other historical works such as Jean Jacques Dessalines Words from Beyond the Grave Toussaint Louverture The Trial of the Slave Trafficking Adolf Hitler Trial in Absentia in Nuremberg and The Trial of Osama Bin Laden Mr Fleury had immigrated to the United States in 2007 He earned a master s degree in public administration and a second in political science from Suffolk University In 2014 Mr Fleury became director of the Caribbean Arts Gallery and founded a charity organization called Art For Change His recent book Hirohito Guilty or Innocent The Trial of the Emperor is a historical account written in a novelistic style The book provides an understanding of the atrocities of the Imperial Army and the Imperial Japanese Navy during World War II particularly the crimes of Unit 731 THE VATICAN CONSPIRACY Peter Kross,2018-02-04 The Vatican Conspiracy Intrigue in St Peter s Square tells the untold story of the secret Vatican US connection from World War II to the 1980s under President Reagan You will learn a little known story of an American military officer who was killed some say by his own men in Italy during the war culminating in a congressional investigation when the war ended You will learn of James Angleton s work as an American spy in Italy during the war and his relationship with the Church and how the OSS infiltrated agents into the Vatican to aid the efforts to oust Hitler Kross then goes extensively into the so called Rat Line which allowed Nazi leaders like Josef Mengele Klaus Barbie and Adolf Eichmann to escape to South America with the help of the US The book covers Operation Paperclip and Operation Safehaven in which Switzerland laundered money form Germany in order to pay that nation s cost of the war The final chapters delve into the

most recent intrigues in the Vatican including the attempted assassination of Pope John Paul II in Rome and who might have been behind it the Soviet Union or Bulgaria and the mysterious death of Pope John Paul I in Rome who died after serving only 33 days in office Also covered is the Vatican Bank scandal involving Roberto Calvi and an American Bishop named Paul Marcinkus The final chapter involves the murders of two Swiss Guardsmen by one of their own men This is a tale that most readers of history do not know but one that must be told History is never what it seems to be not cut and dried not exactly what we were led to believe *Adolf Hitler* Jean Sénat Fleury,2018-11-30 All witnesses agreed that the remains of Adolf Hitler and Eva Braun were taken to the garden of the Chancellery sprinkled with essences and were incinerated To question Hitler s suicide is not the subject of debate in this book I assert as a lawyer coupled with my experience as a career judge to say that the investigation on the crimes committed by the Nazis during the Nuremberg trial which resulted in the judgment of twenty four senior Nazi officers before the military tribunal of Nuremberg did not meet all elements of evidence of Hitler s death Even in the case of a cripple who doubted in the death of the German dictator we had enough at the time of the trial Hitler should be tried in absentia at Nuremberg A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit A.S.,2014-01-13 A Corrupt Tree is a unique extensively researched four volume expos of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church s fundamental characteristic has been its self serving abuse of religio corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church s ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy

behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world's future the Catholic Church must change **The Numbers on My Parents' Arms** Jerry Bagel, 2019-09-19 In June 1991 sitting in his hospital room contemplating cardiac bypass surgery my father said *Vus ich hot adorcht geleibt* What I have lived through I wasn't sure at the time if he meant his recent heart attack but over time especially after researching his journey it became clear to me I thought I knew my dad's plight only to realize some of his most horrible experiences were never brought to my attention The adage of the first casualty of war is the truth hung in the balance with loss and trauma deserves its own sanctity Helen Friedman and Sam Bagel walked through the shadows of death lost their entire nuclear families and like the Phoenix bird re-emerges from its own ashes they too resurrected themselves to start a family be happy and thankful people **Myths of Modern History** Jacques R. Pauwels, 2022-05-13 Revisionist historian Jacques R Pauwels challenges readers to reconsider what they know about some key events in the last 250 years of world history At a time when it's all too easy to see history in black and white terms historian Jacques R Pauwels urges readers to let go of conventional history textbooks and re-examine historical events outside the bounds of conventional ideologies and agendas Pauwels uses twelve key events from the French Revolution onwards to debunk well-known accepted historical narratives in the western canon He challenges readers to rethink their views by compiling the recent work of specialized scholars whose research demonstrates that the facts contradict the myths that have been offered to explain these events Beginning with a reconsideration of the impacts of the French Revolution Pauwels finishes by dismantling the American narrative surrounding the use of nuclear weapons in the Second World War and the real rationale for the Cold War and the U.S.'s postwar global democracy project ***Austria's Difficult Past*** Jakub Gortat, 2025-07-01 The role played by film in reshaping Austria's post-war national identity is often studied within narrow historical and geographical margins Film history traditionally focuses on either the work of a sole director German cinematography or the immediate aftermath of World War II and neglects the link that exists between historical television films and Austria's distinct culture of remembrance In *Austria's Difficult Past* Jakub Gortat addresses this gap by providing a comprehensive analysis of television films produced by Austrian ORF and German television studios between 1961 and 1980 In doing so he explores the way films mediated the burden of memory and the legacy of Austria's complicity in the Nazi regime **Ecclesiology, Idealism, and World Polity** Mark R. Royce, 2024-08-13 This book provides the only comprehensive analysis of concordats the international treaties of the Apostolic See in Rome Identifying the 167 treaties between the papacy and civil commonwealths from 1865 to 2022 at the intersection of canon comparative and international law Royce indicates an overall relationship between the dominance or inferiority of Roman Catholic canon law within the contracting party and the respective ecclesiological or ideational norms of its concordat Successive case chapters analyzing the concordats with fascist Europe the German Länder Latin American

countries France and Austria the states of the Second Vatican Council and Third World states illustrate that the norms of concordats with polities of long standing entrenched continuous or otherwise dominant Roman Catholic canon law concern the Church as an institution whereas those with polities of new precarious inconstant or otherwise inferior canon law status concern the Church as an adherent to values This contractual law of the Apostolic See most closely aligns with the tenets of the English School of international theory As a result this book posits significant theoretical legal and empirical advances in existing knowledge of the international relations and law of the Catholic Church *Trinitarian Theology and Power Relations* M. Minister, 2014-11-06

This text crafts a trinitarian theology that reorients theology from presumptions about the immateriality of the Trinity toward the places where the Trinity matters material bodies in historical contexts and the intersecting ways political and theological power structures normalize and marginalize bodies on the basis of material difference **A Place at His Table** Joel Hollier, 2019-08-19 Across the world navigating the terrain of sexuality is becoming increasingly difficult People on all sides of the discussion agree that so much is at stake but how do we move forward Into a confusing and often painful debate A Place at His Table offers clarity insight and warmth Holding firmly to the Bible Joel Hollier leads us in a journey where we can re-examine traditional understandings ask fresh questions and enter a place of welcome for all people in God's church Whether you are a leader pastor or congregation member who is seeking to love well this timely book will equip you to enter the discussion in faithful informed and nuanced ways
