Publications Illinois State Historical Society, 1902. Yorkville Jillian Duchnowski, 2014. Yorkville's population has boomed in recent decades, but its most defining landmarks today would be familiar to its earliest settlers. Earl Adams built the area's first log cabin in 1833 near the prominent hill that is the site of Kendall County's historic courthouse, which early residents fought to rebuild after a devastating fire in 1887. Similarly, the Fox River and Blackberry Creek supported the community's early commerce from the sawmill John Schneider built in the 1830s to the state's only man-made white water course. Yorkville often fostered leaders who believed in making big contributions. Dennis Hastert, the longest-serving Republican speaker of the US House of Representatives, taught sociology, economics, and speech at Yorkville High School from 1965 to 1980. Glen D. Palmer oversaw the state's first game farm before serving as the state's conservation director from 1953 to 1961. Robert Mitchler, a Navy veteran who served as a state senator from 1964 to 1981, flew a large American flag day and night in his front yard off of Route 34. Bibliotheca Americana, 1883. Graff Collection of Western Americana consists of some 10,000 books, manuscripts, maps, pamphlets, broadsides, broadsheets, and photographs of which about half are described in the present catalogue. The Graff Collection displays the remarkable breadth of interest, knowledge, and taste of a great bibliophile and student of Western American history. From this

American violence is schizophrenic On the one hand many Americans support the creation of a powerful bureaucracy of coercion made up of police and military forces in order to provide public security At the same time many of those citizens also demand the private right to protect their own families home and property This book diagnoses this schizophrenia as a product of a distinctive institutional history in which private forms of violence vigilantes private detectives mercenary gunfighters emerged in concert with the creation of new public and state forms of violence such as police departments or the National Guard This dual public and private face of American violence resulted from the upending of a tradition of republican governance in which public security had been indistinguishable from private effort by the nineteenth century social transformations of the Civil War and the Market Revolution
