GEORGE GROTE

History Of Greece Volume 4 Greeks And Persians

Julia Harris Bentley

History Of Greece Volume 4 Greeks And Persians:

History of Greece, Volume 4: Greeks and Persians George Grote,2015-11-27 George Grote was a 19th century historian who wrote a seminal and comprehensive multi volume history on Ancient Greece covering its legendary beginnings and spanning all the way to the end of Greek independence in the last few centuries BCE His work is a must read for anyone interested in antiquity **Book Bulletin** San Francisco Public Library,1895 **The Greek and Persian Wars 499-386 BC** Philip de Souza,2014-06-06 This book covers one of the defining periods of European history The series of wars between the Classical Greeks and the Persian Empire produced the famous battles of Marathon Thermopylae and Salamis as well as an ill fated attempt to overthrow the Persian king in 400 BC which helped to inspire the conquests of Alexander the Great To tell the story of these momentous events of the lives of great men and women of the societies and cultures that produced them and to explain how and why they came into conflict was the aim of Herodotus the Father of History whose account of the wars is our principal source and the first book to be called a history **Greece in the Making 1200-479 BC** Robin Osborne,2009-03-16 Greece in the Making 1200 479 BC is an accessible and comprehensive account of Greek history from the end of the Bronze Age to the Classical Period The first edition of this book broke new ground by acknowledging that barring a small number of archaic poems and inscriptions the majority of our literary evidence for archaic Greece reported only what later writers wanted to tell and so was subject to systematic selection and distortion This book offers a narrative which acknowledges the later traditions as traditions but insists that we must primarily confront the contemporary evidence which is in large part archaeological and art historical and must make sense of it in its own terms In this second edition as well as updating the text to take account of recent scholarship and re ordering Robin Osborne has addressed more explicitly the weaknesses and unsustainable interpretations which the first edition chose merely to pass over He now spells out why this book features no rise of the polis and no colonization and why the treatment of Greek settlement abroad is necessarily spread over various chapters Students and teachers alike will particularly appreciate the enhanced discussion of economic history and the more systematic treatment of issues of gender and sexuality **Encyclopedia of Greece and the Hellenic Tradition** Graham Speake,2021-01-31 Hellenism is the living culture of the Greek speaking peoples and has a continuing history of more than 3 500 years The Encyclopedia of Greece and the Hellenic Tradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world s merchant marine and Greek communities in the United States Australia and South

Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence **Britannica Student Encyclopedia** Encyclopaedia Britannica, Inc,2014-05-01 Entertaining and informative the newly updated Britannica Student Encyclopedia helps children gain a better understanding of their world Updated for 2015 more than 2 250 captivating articles cover everything from Barack Obama to video games Children are sure to immerse themselves in 2 700 photos charts and tables that help explain concepts and subjects as well as 1 200 maps and flags from across the globe Britannica Student is curriculum correlated and a recent winner of the 2008 Teachers Choice Award and 2010 AEP Distinguished achievement award Empire and the Ends of Politics Plato,Thucydides,2012-07-01 This text brings together for the first time two complete key works from classical antiquity on the politics of Athens Plato s Menexenus and Pericles funeral oration from Thucydides history of the Peloponnesian War **Catalogue** Nottingham city, Nottingham subscription libr,1881 **Catalogue** ,1887 **Catalogue of the Illinois State Library** Illinois State Library,1894 The Battle of Marathon in Scholarship Dennis L. Fink,2014-05-03 This is a thorough historiographic review of the Battle of Marathon Full use is made of the major ancient sources and the debate over the value of Herodotus The book covers the rise of the Persian Empire relations between the Greeks and the Persian Empire and the Ionian revolt that set the stage for the Persian expedition in 490 that led to the Battle of Marathon The book also examines the development of the Persian and Greek military systems weapons armor fighting styles and military tactics The battle itself is described along with the many questions controversies and conflicting theories surrounding it including an explanation of why the Athenians were able to defeat the mighty Persian Empire The final chapter deals with the issue of the importance of the battle The 1190 endnotes and bibliography of more than 400 sources dating from the 1850s to 2012 will allow readers to do more research on any of the topics covered **Catalogue of Books** Young Men's Christian Association of the City of New York. Railroad Branch. Library,1899 Warfare in Ancient Greece Michael Sage,2002-06 Warfare in Ancient Greece assembles a wide range of source material and introduces the latest scholarship on the Greek experience of war The author has carefully selected key texts many of them not previously available in English and provided them with comprehensive commentaries For the Greek polis warfare was a more usual state of affairs than peace The documents assembled here recreate the social and historical framework in which ancient Greek warfare took place over a period of more than a thousand years from the Homeric Age to Alexander the Great Special attention is paid to the attitudes and feelings of the Greeks towards defeated people and captured cities Complete with notes index and bibliography Warfare in Ancient Greece will provide students of Ancient and Military History with an unprecedented survey of relevant materials A Short History of Greek Literature Jacqueline de Romilly,1985 Offers profiles of ancient Greek writers including Homer Hesiod Herodotus Sophocles Plato Aristotle and Plutarch and traces the development of Greek literature **Ancient History, Literature and Art** Julia Harris Bentley,1897 Literature in the Greek World Oliver Taplin,2001 In this refreshing volume

we are offered a new perspective on Greek literature based on the conviction that our present appreciation for it should be informed and influenced by how it was originally perceived From the earliest surviving Greek poetry to the drama history and philosophy of Greece under Roman rule this book focuses on the receivers of Greek literature the readers spectators and audiences who first witnessed the works over two thousand years ago Six contributors map out the lively and provocative surveys covering the kinds of literature that have shaped Western culture epic lyric tragedy comedy history philosophy elegy satire biography and panegyric Ancient Greece and Rome Keith Hopwood,1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell *Black Tom* delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally

Literature in the Greek and Roman Worlds Oliver Taplin,2000 This book consists of seventeen essays by a team of international scholars exploring aspects of the reception of literature from the earliest surviving Greek poetry to the demise of classical literature at the end of the Roman empire Deploying fresh insights to map out lively and provocative surveys the contributors examine all genres of the classical world epic lyric tragedy comedy history philosophy rhetoric epigram elegy pastoral satire biography epistle declamation panegyric in search of answers to the questions of who were the genres for and what did these people make of them *Greek History: Archaic to Classical Age: Oxford Bibliographies Online Research Guide* Jennifer Roberts,2010-05 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials

relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbo.com
