History Reign George Iii Vol:

The History of the Reign of George III. ... Vol. VII. (Completed to the Death of the King [by an Anonymous Writer].) Robert BISSET,1820 *The History of the Reign of George III, Vol. 3 of 3* Robert Bisset,2015-07-08 Excerpt from The History of the Reign of George III Vol 3 of 3 To Which Is Prefixed a View of the Progressive Improvement of England in Prosperity and Strength to the Accession of His Majesty The king having called together the parliament on the 29th of October announced in his speech from the throne that the important negotiations in which he was engaged at the close of the former session had been brought to a favourable conclusion The differences with the northern powers had been adjusted by a convention with the emperor of Russia to which the kings of Denmark and Sweden had expressed their readiness to accede By this convention the essential rights for which Great Britain had contended were secured and provision was made that the exercise of them should be attended with as little molestation as possible to the subjects of the contending parties Preliminaries of peace had also been ratified between his majesty and the French republic and he trusted that this arrangement while it manifested the justice and moderation of his views would be found conducive to the substantial interests of this country and honourable to the British character After expressing his heartfelt gratitude to Divine Providence for the blessing of a plentiful harvest and applauding the temper and fortitude manifested by the nation under a complication of difficulties he acknowledged in the warmest terms the eminent services performed by the navy and army particularly in the expulsion of the French from Egypt The conclusion of this speech deserves to be recorded because while it does honour to the paternal feelings of the sovereign it contains the avowal of a sacred principle which no monarch of Great Britain worthy of the title can willingly consent to abandon It is my first wish and most fervent prayer that my people may experience the reward they have so well merited in a full enjoyment of the blessings of peace in a progressive increase of the national commerce credit and resources and above all in the undisturbed possession of their religion laws and liberties under the safe guard and protection of that constitution which it has been the great object of all our efforts to preserve and which it is our most sacred duty to transmit unimpaired to our descendants About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The History of the Reign of George III, Vol. 1 of 6](#) Robert Bisset,2015-07-06 Excerpt from The History of the Reign of George III Vol 1 of 6 To Which Is Prefixed a View of the Progressive Improvement of England in Prosperity and Strength to the Accession of His Majesty To enlarge on the magnitude of the subject on which I have adventured to write would be unnecessary and might be unwise

Every reader must know that the sera is eventful and interesting an expatiation therefore on the greatness and importance of the theme would only manifest the imprudence of the choice should the execution prove inadequate I am fully aware that many votaries of historical literature deem it more difficult to write a history of present times than of remote transactions experience however does not confirm the opinion as some of the most authentic and impartial works have recorded events which passed during the lives of the authors Citation of instances would be superfluous both to classical and modern readers The writer who is competent to the task of composing a history may execute the work on a cotemporary subject as easily as on any other The peculiar difficulty belonging to a performance of this kind is to avoid prejudice and partiality yet it is no more impracticable for an historian to deliver the truth respecting living characters than for a witness to deliver faithful testimony according to the best of his knowledge About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Scandal of George III's Court

Catherine Curzon, 2018-10-30 From Windsor to Weymouth the shadow of scandal was never too far from the walls of the House of Hanover Did a fearsome duke really commit murder or a royal mistress sell commissions to the highest bidders and what was the truth behind George III's supposed secret marriage to a pretty Quaker With everything from illegitimate children to illegal marriages dead valets and equerries sneaking about the palace by candlelight these eyebrow raising tales from the reign of George III prove that the highest of births is no guarantee of good behavior Prepare to meet some shocking ladies some shameless gentlemen and some politicians who really should know better So tighten your stays hoist up your breeches and prepare for a gallop through some of the most shocking royal scandals from the court of George III's court You'll never look at a king in the same way again

The History of the Reign of George III, Vol. 3 of 6

Robert Bisset, 2018-03-18 Excerpt from The History of the Reign of George III Vol 3 of 6 To Which Is Prefixed a View of the Progressive Improvement of England in Prosperity and Strength to the Accession of His Majesty Pitt prime minister with a minority in the house of commons Unpopulariz of Mr Fox and the coalition party Mr Pitt's East In a bill rejected Question on dictation to the crown by the commons in the choice of a minister King peers and the public favourable to Mr Pitt At tempt of independent gentlemen to effect an accommodation between the ministerial and opposition party Meeting for that purpose Correspondence with the duke of Portland and Mr Pitt Design proves abortive display of Mr Pitt's talents and character in resisting such a confederacy of genius and power Public estimation of the contending leaders The king declares his intention of taking the sense of his people dissolution and character of this parliament About the Publisher Forgotten Books publishes

hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The History of the Reign of George III, Vol. 1 of 3 Robert Bisset, 2018-03-22 Excerpt from The History of the Reign of George III Vol 1 of 3 To Which Is Prefixed a View of the Progressive Improvement of England in Prosperity and Strength to the Accession of His Majesty In the disposition of my materials I have adopted the following plan Previous to the commencement of the History there is an Introduction which traces the progressive improvement of England in internal prosperity and strength as well as in estimation and importance among foreign powers from the earliest times to the beginning of the war 1756 A preliminary chapter contains the causes and outline of hostilities with the internal transactions and state of the country during the last years of the late king in order that the reader having before him at the accession of his present majesty the outset of national affairs foreign and domestic may more easily perceive progression and result Both in the Introduction and History it has been my endeavour to place in a just and striking light the force of the British character formed and invigorated by the British constitution and to demonstrate that Britain either in peace or in war prospers and conquers because she excels in wisdom and virtue This is the moral lesson which my narrative attempts to inculcate and if I do not succeed the deficiency is in myself and not in my subject It is possible that my narrative may be charged with national partiality I confess I love my country and hate her enemies and if this be a crime I must plead guilty I trust however that notwithstanding my warm affection for Britain and my admiration of her stupendous efforts I shall be found even in reciting the contests with her foes to have rigidly adhered to historical truth and done justice to the exertions of her enemies who in disciplined valour genius and power far surpassed any foes that were ever opposed to the heroes of ancient Greece or Rome About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

History's 9 Most Insane Rulers Scott Rank, 2020-05-12 Madness and Power Can the insane rule Can insanity be a leadership quality Scott Rank says yes well sometimes in this fascinating look at nine of history's most notorious rulers from the Roman emperor Caligula to the North Korean Communist dictator Kim Jong il Rank paints intimate portraits of these deeply flawed but powerful men examining the role that madness played in their lives the repercussions of their madness on

history and what their madness can tell us about the times in which they lived In History s 9 Most Insane Rulers you will meet King Charles VI of France who thought he was made of glass Sultan Ibrahim I who was driven mad by the sadistic succession battles of the Ottoman Empire Caligula who built temples to himself and whose reign highlighted the lethal tensions between the power of the new Imperial Rome and the prerogatives of the old Roman Republic The Russian tsar who became known as Ivan the Terrible King George III of Britain who not only lost his American colonies but lost his mind as well Bavaria s Mad King Ludwig II who left the world richer for his fabulous fairy tale castles and his patronage of the composer Richard Wagner Insane rulers did not die off with the last of the mad monarchs who inherited their power Rank also examines the rise to power of crazed modern rulers such as Idi Amin who began as a lowly army cook and rose to the presidency of Uganda and Saparmurat Niyazov who ruled Turkmenistan and promoted a bizarre cult of personality around himself Both entertaining and illuminating History s 9 Most Insane Rulers is a must read for anyone interested in the role insanity has played in history

The History of the Reign of George III, Vol. 2 of 6 Robert Bisset,2017-09-18 Excerpt from The History of the Reign of George III Vol 2 of 6 To Which Is Prefixed a View of the Progressive Improvement of England in Prosperity and Strength to the Accession of His Majesty Critical state of affairs in America general enthusiasm guided by prudence The provincials learn the reception of their About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Catalogue of the Library of the Literary and Philosophical Society, of Newcastle-upon Tyne** Literary and Philosophical Society (NEWCASTLE-UPON-TYNE),1848 **The History of the Reign of George III, Vol. 5 of 6** Robert Bisset,2016-11-16
