**Everlast** Andria Buchanan,2013-08-27 Everlast Chronicles of Nerisette by Andria Buchanan Allie Munroe has only ever wanted to belong maybe even be well liked But even though she s nice and smart and has a couple of friends she s still pretty much the invisible girl at school So when the chance to work with her friends and some of the popular kids on an English project comes up Allie jumps at the chance to be noticed And her plan would have worked out just fine if they hadn t been sucked into a magical realm through a dusty old book of fairy tales in the middle of the library Now Allie and her classmates are stuck in Nerisette a world where karma rules and your social status is determined by what you deserve Which makes a misfit like Allie the Crown Princess and her archrival the scullery maid And the only way out is for Allie to rally and lead the people of Nerisette against the evil forces that threaten their very existence

**Evanescent** Andria Buchanan,2013-10-01 Evanescence by Andria Buchanan Trapped in the deadly land of Nerisette Allie has all but given up on any return to the mortal realm Unless she can find the two elusive artifacts that have the power to get her and her friends back home But she s got even bigger problems as the newly crowned queen of Nerisette she must unite her people in the midst of a civil war and capture the Fate Maker the evil puppet master responsible for the conflict before he can find another army willing to return him to power On top of it all Allie is just a normal teenager Her feelings are growing for the guy she s certain is her true love and balancing her personal life while being the queen isn t as easy as it sounds Allie must learn the true meaning of bravery love and kinship regardless of the world and danger around her
