Jamison, 2015-04-15 My first thought when I finished reading was Where the hell was this book when I jumped into self publishing I love the no nonsense style that pulls no punches and keeps you interested If you are thinking about self publishing or even going the traditional route you should read this book before you hit publish L A Remenicky author of SAVING CASSIE Throughout her life Amazon Bestselling author Jade C Jamison has worn many hats One of the most noteworthy is her ongoing gig as a college instructor focused mostly on writing both academic and creative writing classes which paired with her career as a successful indie author gives her the delusion that she is qualified to help other indie self publishing and aspiring authors become the best writers they can be Jamison loves that indie publishing has opened the door to literally thousands of would be authors allowing them to share their creations with the world In a realm that was previously shut off to a good many writers unless they could get their works through all the gatekeepers most writers languished in obscurity or indulged in expensive self publishing ventures and still failed to be read widely Electronic publishing has changed all that has in fact changed the face of publishing as we once knew it revolutionizing reading almost as much as Gutenberg s press hundreds of years ago The publishing process today is democratic in that anyone with a little know how can make his book available to the world and readers not publishers decide whose book will be the next bestseller But says Jamison with great freedom comes even greater responsibility In the traditional publishing world that still exists today authors have editors scouring their manuscripts offering corrections and forcing edits most of which are designed to make the work better in some way creating tighter writing and better pacing making the manuscript error free and other beneficial changes that happen to a book undergoing the traditional experience Some indie writers follow their cue and take the effort to invest in their work by hiring an editor and continually improving their writing yet there are literally hundreds perhaps thousands or millions of indie books available today that in the author s opinion aren t publication ready Jamison taught creative writing and composition classes for years The underlying premise of this book is that every single story deserves to be told and read but writers should and likely do want their books to be the best they can be This book delves into common indie publishing mistakes errors that should be viewed as no nos and how to fix them Jamison s experience in the classroom with hundreds of student writers as well as the years she has been involved in both indie and traditional publishing arenas has given her a unique vantage point and she wants to share her observations as well as teach a few tips and tricks with others in the writing world **The Nicki Sosebee Stories Box Set 1: Books 1-7** Jade C.

Jamison, 2022-04-02 Nicki Sosebee is not your typical romance heroine She works hard and plays even harder curses like a sailor and loves a good time all to protect her broken heart Nicki s ready to make a better life for herself if only she can stay alive long enough to reap the rewards Follow her adventures in the first seven books of the series No News is Good News

Nicki's been learning the ropes as a novice investigative reporter. The job's been boring until now, probably because her small Colorado town seems sleepy. One of Winchester's bad boys has been locked up for arson, but Nicki soon finds there's a whole lot more to the story. Her na vet gets her in hot water at every turn, but her gorgeous best friend Sean Ramsey, self-employed motorcycle mechanic, helps keep her in check. Nicki's been burning a candle for her cocky hunky friend, but nothing will come of that unrequited love, even though she's always looking for a second chance. Meaning Sean is also distracting. And Nicki really needs to pay attention so she can write her first headline story before her name ends up in the obituary section. **Bad News Travels Fast** Nicki's got it bad for her best friend Sean, but she doesn't see her unrequited lust for him getting quenched anytime soon, so she buries herself in work. Shortly after interviewing a county commissioner, Nicki discovers that bad news travels fast when the commissioner's office assistant turns up dead. But one guy's bad news jumpstarts Nicki's nose for news, and she relishes the chance to do some investigative reporting. All the News that's fit to print. Just as Nicki's love life starts heating up, a sexual predator roaming the streets of Winchester strikes fear in the hearts of the women in town. Nowhere is safe. Nicki investigates, and when she discovers the criminal in a place she least suspects, there's no one who can save her. **In the News** When a rash of robberies hits the downtown Winchester area, Nicki begins reporting the damage, hoping to help law enforcement bring the culprit to justice. It's not long before she discovers that there's far more to the story than the petty crimes she's reporting. **Spreading the News** Thanks to Sean, Nicki's starting to pay lots more attention to what the politicians around Winchester are doing, and she decides to do something about it. When the City Council draws a line between the haves and have nots, Nicki decides to take a stand, and it won't make her popular around her hometown. Meanwhile, Nicki finds herself in a love triangle, and she thinks she knows what she wants, but does she really? **Breaking News** Just as Nicki starts to figure out that her beloved town of Winchester maybe isn't so safe or idyllic, she discovers even worse secrets that have been buried and ignored. When the teenage daughter of a Winchester lawyer is kidnapped, Nicki gets a glimpse of the darker elements of her town, leaving her wondering how she can use her position to expose what she's found. **Bad News First** Disillusioned, Nicki starts to believe she is nothing but a tiny cog in a big machine, and as she opens her eyes to all that's around her, her life begins to fall apart. For the first time, she sees how deep the corruption goes in Winchester, so she does what she knows best: she reports what she finds, starting with the bad news first. If you like strong sassy heroines and the hunky rugged men they pine for in the backdrop of a small town hiding dark secrets, then you'll love the Nicki Sosebee Stories.

Substitute Boyfriend Jade C. Jamison, 2014-08-12 Elizabeth Slade, a college English instructor, has experienced success as an erotic romance writer, but she has a dirty little secret. She can't write sex scenes without a little help from Ridley, a gorgeous guy who plays her pretend boyfriend and makes a booty call whenever her imagination is flailing. She'd like for Ridley to commit to be her permanent and real boyfriend, and she thinks that's where they're headed until she finds him getting way too cozy with another woman in a bar. At that point, she enlists the help of her friend, fellow college

teacher Roman Decker who offers to temporarily take Ridley's place while she sorts through her emotions. She grows confused when she realizes she's also attracted to Roman. When Ridley comes back to her on bended knee, does she take the bad boy who broke her heart or try to convince her friend to make a real go of it? **SUBSTITUTE BOYFRIEND** is a novella of 31,500 words. *The Nicki Sosebee Collection (Nicki Sosebee 1-7)* Jade C. Jamison, 2017-02-08. Seven books. Eight months. Two gorgeous men. One hell of a corrupt town. Sassy Nicki Sosebee might be naïve but she's also plucky, driving her to become a better reporter. Her sleepy town of Winchester, Colorado, seems idyllic to folks on the outside, from Friday night high school football games to the pizza parlor on Main Street, but Nicki is discovering its seedy underbelly where even the good guys are suspect. Can Nicki stay one step ahead of danger or will she leave a wake of trouble behind her as she strives to be the best reporter she can? Warning: Nicki Sosebee is no Nancy Drew. This book contains explicit language and even more explicit sex. Proceed with caution if you dare. **THE NICKI SOSEBEE COLLECTION INCLUDES THESE BOOKS: 1 GOT THE LIFE 2 DEAD 3 NO PLACE TO HIDE 4 RIGHT NOW 5 ONE MORE TIME 6 LOST 7 INNOCENT BYSTANDER**

The Nicki Sosebee Box Set 3: Books 11-14 Jade C. Jamison, 2022-04-02. Nicki Sosebee is not your typical romance heroine. She works hard and plays even harder, curses like a sailor, and loves a good time all to protect her broken heart. Nicki's ready to make a better life for herself if only she can stay alive long enough to reap the rewards. Follow her adventures in the last four books of the series as she hunts down the bad guys and brings them down. Making News: Nicki's sleepy hometown of Winchester is the kind of place that deals with two or three murders a year, not two or three a month, but a serial killer is making news by brutally murdering young adults in the most gruesome of ways. Nicki and her investigative blogger friend set out to solve the mystery, only to discover the corruption in their town reaches far and wide. When Nicki gets closer to discovering what's going on, she meets unexpected resistance from all corners, leaving her unsure how to proceed. Bearer of Bad News: When Nicki loses someone close to her, she realizes that her investigative reporting is endangering not only herself but those she loves. Now she is forced to choose between walking away, just as many of her closest allies have urged her to do, or digging deeper to find the truth. When Nicki notices she's regularly being followed, she knows her next move could be her last. How can she protect herself when she doesn't know who she can trust anymore? Front Page News: Nicki is in the most dangerous spot she's ever been in. Now that she no longer has her protector, she's on her own. In her pursuit of justice, trying to bring down every corrupt person she knows in her beloved Winchester, she's made some headway, but thanks to the likes of her main nemesis, Montgomery, and his hitman, it's between her and them, and they've got a lot more practice. Will Nicki survive this ultimate endgame or will she become another dead body making front page news, leaving Montgomery to keep running Winchester business as usual? Bad Ass: prequel novella. Nicki's going to a wedding, but she needs a plus one. When her boyfriend isn't able to accompany her, she asks her best friend, Sean Ramsey, of course. How did Sean feel about her back then? Exactly when did he start to fall for her? If you like strong, sassy heroines and the hunky, rugged men they pine for in the

backdrop of a small town hiding dark secrets then you ll love the Nicki Sosebee Stories
