Speak, Okinawa Elizabeth Miki Brina, 2021 A hauntingly beautiful memoir about family and identity NPR and a young woman's journey to understanding her complicated parents her mother an Okinawan war bride her father a Vietnam veteran and her own fraught cultural heritage Elizabeth's mother was working as a nightclub hostess on U S occupied Okinawa when she met the American soldier who would become her husband The language barrier and power imbalance that defined their early relationship followed them to the predominantly white upstate New York suburb where they moved to raise their only daughter There Elizabeth grew up with the trappings of a typical American childhood and adolescence Yet even though she felt almost no connection to her mother's distant home she also felt out of place among her peers Decades later Elizabeth comes to recognize the shame and self loathing that haunt both her and her mother and attempts a form of reconciliation not only to come to terms with the embattled dynamics of her family but also to reckon with the injustices that reverberate throughout the history of Okinawa

and its people Clear eyed and profoundly humane Speak Okinawa is a startling accomplishment a heartfelt exploration of identity inheritance forgiveness and what it means to be an American *Nightmare Illustrated: Issue 2* Horrified Press,

Dury and Andrews' Map of Hertfordshire Andrew Macnair, Anne Rowe, Tom Williamson, 2015-11-30 This book is about the map of an English county Hertfordshire which was published in 1766 by two London mapmakers Andrew Dury and John Andrews For well over two centuries from the time of Elizabeth I to the late 18th century the county was the basic unit for mapping in Britain and the period witnessed several episodes of comprehensive map making The map which forms the subject of this book followed on from a large number of previous maps of the county but was greatly superior to them in terms of quality and detail It was published in a variety of forms in nine sheets with an additional index map over a period of 60 years No other maps of Hertfordshire were produced during the rest of the century but the Board of Ordnance later the Ordnance Survey established in the 1790s began to survey the Hertfordshire area in 1799 publishing the first maps covering the county between 1805 and 1834 The OS came to dominate map making in Britain but of all the maps of Hertfordshire that produced by Dury and Andrews was the first to be surveyed at a sufficiently large scale to really allow those dwelling in the county to visualize their own parish local topography and even their own house and its place in the wider landscape The first section examines the context of the map s production and its place in cartographic history and describes the creation of a new digital version of the map which can be accessed online The second part describes various ways in which this electronic version can be interrogated in order to throw important new light on Hertfordshire s landscape and society both in the middle decades of the eighteenth century when it was produced and in more remote periods The attached DVD contains over a dozen maps which have been derived from the digital version and which illustrate many of the issues discussed in the text as well as related material which should likewise be useful to students of landscape history historical geography and local history **Joseph Conrad: 'The Secret Agent'** Cedric Watts, A biographical chapter relates The Secret Agent to Conrad s career Next the work s process of composition is discussed and differences between the serial the book version and the stage version are explained An analysis of the plot gives particular attention to its ironic strategies and to the character of the narrator Various themes and contexts are explored conceptions of time and topography anarchistic and Fenian politics anti Semitism evolution Lombroso and criminology Literary influences and analogues are illustrated Dickens Zola Ibsen terrorist fiction The characters are considered from various viewpoints A critical survey summarises the work s reception since its first publication The bibliography provides a guide to further reading Not Hockey Angie Abdou, Jamie Dopp, 2023-08-29 In this carefully curated collection of essays editors Jamie Dopp and Angie Abdou go beyond their first collection Writing the

Body in Motion to engage with the meaning of sport found in Canadian sport literature How does sport differ from physically risky recreational activities that require strength and skill Does sport demand that someone win At what point does a sport become an art With the aim of prompting reflections on and discussions of the boundaries of sport contributors explore how

literature engages with sport as a metaphor as a language and as bodily expression Instead of a focus on what is often described as Canada s national pastime contributors examine sports in Canadian literature that are decidedly not hockey From skateboarding and parkour to fly fishing and curling these essays engage with Canadian histories and broader societal understandings through sports on the margin Interspersed with original reflections by iconic Canadian literary figures such as Steven Heighton Aritha Van Herk Thomas Wharton and Timothy Taylor this volume is fresh and intriguing and offers new ways of reading the body

**Understanding Cultural Geography** Jon Anderson,2015-03-24 Understanding Cultural Geography Places and Traces offers a comprehensive introduction to perhaps the most exciting and challenging area of human geography By focusing on the notion of place as a key means through which culture and identity is grounded the book showcases the broad range of theories methods and practices used within the discipline This book not only introduces the reader to the rich and complex history of cultural geography but also the key terms on which the discipline is built From these insights the book approaches place as an ongoing composition of traces highlighting the dynamic and ever changing nature of the world around us The second edition has been fully revised and updated to incorporate recent literature and up to date case studies It also adopts a new seven section structure and benefits from the addition of two new chapters Place and Mobility and Place and Language Through its broad coverage of issues such as age race scale nature capitalism and the body the book provides valuable perspectives into the cultural relationships between people and place Anderson gives critical insights into these important issues helping us to understand and engage with the various places that make up our lives Understanding Cultural Geography is an ideal text for students being introduced to the discipline through either undergraduate or postgraduate degree courses The book outlines how the theoretical ideas empirical foci and methodological techniques of cultural geography illuminate and make sense of the places we inhabit and contribute to This is a timely update on a highly successful text that incorporates a vast foundation of knowledge an invaluable book for lecturers and students
