Sánchez,Ofelia García,2021-11-15 This book

contributes to the understanding of the transformative power of incorporating translanguaging the dynamic language practices of bi multilingual communities in the schooling of US Latinx children and youth It showcases instructional spaces in US education where Latinx children s and youths translanguaging is at the center of their teaching and learning By centering racialized Latinx bilingual students including their knowledge systems and cultural and linguistic practices it transforms the monolingual white supremacy ideology of many educational spaces In so doing racialized bilingual Latinx subjectivities are potentially transformed as students learn to understand processes of colonization and domination that have robbed them of opportunities to use their entire semiotic repertoire in learning The book makes a strong theoretical contribution to the field putting decolonial post structuralist understandings of language and bilingualism alongside critical race theory and critical pedagogy Bordered Writers Isabel Baca,Yndalecio Isaac Hinojosa,Susan Wolff Murphy,2019-01-01 Examines innovative

writing pedagogies and the experiences of Latinx student writers at Hispanic Serving Institutions nationwide *Bordered Writers* explores how writing program administrators and faculty at Hispanic Serving Institutions HSIs are transforming the teaching of writing to be more inclusive and foster Latinx student success Like its 2007 predecessor *Teaching Writing with Latino Students* this collection contributes to ongoing conversations in writing studies about multicultural pedagogy and curriculum linguistic diversity and supporting students of color while focusing further attention on the specific experiences and strategies of students and faculty at HSIs Although members of Latinx communities comprise the largest underrepresented minority group in the nation the needs and strengths of Latinx writers in college classrooms are seldom addressed *Bordered Writers* thus helps to fill a critical gap giving voice to past and present Latinx scholars rhetoricians and students both in academic essays and in personal testimonios in four pivotal areas developmental English and bridge programs first year writing professional and technical writing and writing centers and mentored writing Across contributions the collection strives to connect all bordered writers and educators making higher education today not only stronger but also more representative of the nation's population This book is a concerted effort by a group of impassioned scholars who wish to contribute to a better understanding of the challenges Latinx students encounter as they embark on their college careers especially in terms of the narrow monolingualistic ideologies that continue to inform the teaching of writing in colleges across the country Juan C Guerra University of Washington

**"Say It in English, Please!"** Joseph Charles, 2013-07-30 It is much easier to kill them if we can't understand them We might begin to like and empathize with them if we do That was the opinion of three quarters of an adult college class when faced with the awareness of their deficient linguistic survival skills They are willing to forego self preservation for the sake of warfare and annihilation of people that are different Pressing reasons for looking into our world language needs and competencies have risen but we prefer to bury our heads in the sand while ironically oftentimes entrusting the task of comprehending the outside world with our enemies It is no wonder on one hand that paranoia ensues for it becomes necessary to resort to dubious helpers in order to survive in hostile environments without the basic local linguistic skills on the other hand the author firmly asserts that the world would be a much better place if we became cognizant that we are one species imbued with the same universal feelings and needs Languages and cultures only constitute a smoke screen The reader will take a linguistic tour with the author as he shares experiences and opinions on our own language experiences and other cultures

*Knowledge Hierarchies in Transnational Education* Jing Qi, 2015-04-24 Transnational education seeks equivalence in standards and or relevance of outcomes through the transfer of Western theories concepts and methods Utilising a critique interpretative approach Jing Qi argues that equivalence relevance oriented approaches to transnational education assume the legitimacy of the global knowledge hierarchy Euro American educational theories are imposed as defaults in non Western educational communities of imagined consensus Grounded in a study of a five year transnational teacher education and community capacity building program in Northern Chile the book

investigates the relationships between theoretical knowledge knowledge hierarchies and critique Transnational education communities are recognised as sites of critiques where conflictual and conceptual dissensus disrupts global and local knowledge hierarchies Critique is deployed by educational actors in their everyday engagement in transnational education to stage dissensus which constantly re draws the lines of possibility for knowledge co construction A matrix mapping system is designed to chart and theorise the Chilean educational actors critiques along the trail of concept translation learning application and innovation of knowledge hierarchies which operate at and across global transnational local and the newly created local global levels This book examines how these critiques modulate the ascendancy of knowledge hierarchies to enfranchise non western educational actors for theoretical knowledge production that addresses local needs Knowledge Hierarchies in Transnational Education will be of key value to researchers academics and postgraduate students in the fields of international education teacher education and globalisation

*Becoming Biliterate* Bertha Perez, 2003-10-03 This book describes the development process and dynamics of change in the course of implementing a two way bilingual immersion education program in two school communities The focus is on the language and literacy learning of elementary school students and on how it is influenced by parents teachers and policymakers P rez provides rich highly detailed descriptions both quantitative and qualitative of the change process at the two schools involved including student language and achievement data for five years of program implementation that were used to test the basic two way bilingual theory the specific school interventions and the particular classroom instructional practices The contribution of *Becoming Biliterate* A Study of Two Way Bilingual Immersion Education is to provide a comprehensive description of contextual and instructional factors that might help or hinder the attainment of successful literacy and student outcomes in both languages The study has broad theoretical policy and practical instructional relevance for the many other U S school districts with large student populations of non native speakers of English This volume is highly relevant for researchers teacher educators and graduate students in bilingual and ESL education language policy linguistics and language education and as a text for master s and doctoral level classes in these areas
