Sonnets A SHADE OF SHAKESPEARE This stems from my admiration for the Bard and his works If it's said that I have tried to imitate his style then of course I have It is soon noticed that while each sonnet does have three quatrains and an ending couplet while each line has ten syllables to each I do not borrow the need of any iambic pentameters In this light I would call my sonnets Contemporary Sonnets This work covers the three small books of 100 sonnets in each which are already out there in public domain I trust that you read and enjoy this book and find it a delicate company during an evening's read Ron S King

hundred sonnets which stand in the shade of Shakespeare I write this because I am only a shadow of the Bard's pen and in all my years of writing and reading poetry I have not yet seen anyone to match his craft I hope you enjoyed the first volume of my Sonnets and I trust you will find the same enjoyment in this book and might reasonably await the next volume with a same appreciation I thank you for your time and wish you a happy reading Ron S King Brief History of Gilead George

Whitefield Chapman,1867 **On Wholeness** Quill Christie-Peters,2025-10-28 A brilliant exploration of the body as a site of settler colonial impact centring embodied wholeness as a pathway to our collective liberation Through reflections on childbirth parenting creative practice and expansive responsibility as pathways to wholeness Anishinaabe visual artist Quill Christie Peters explores how reconnecting with the body can be an act of resistance and healing She shows that wholeness despite pain and displacement is not just possible but essential for liberation not only for Indigenous people but for all of us

In poetic and raw storytelling Quill shares her own experiences of gendered violence and her father's survival of residential school revealing how colonialism disconnects us from ourselves Yet through an Anishinaabe lens the body is more than just flesh it extends to ancestors homelands spirit relations and animal kin This fierce and enlightening book reimagines the way we understand settler colonialism through the body itself On Wholeness takes us on a journey that begins before birth in a realm where ancestors and spirits swirl like smoke in the great beyond **Catechesis on Hope** Pope Francis, All 38 addresses from the Holy Father's recent reflections on hope A valuable resource for prayer and spiritual reading in order to live joyfully in hope and pass on this joy to everyone around us *Age of Fairygold* Gertrude Hall Brownell, 1899
