Gorday, 2018-09-14 By the time of his death in 1933 Henri Bremond priest and member of the elite Academie francaise had established himself in France and increasingly in England and the United States as a distinguished historian of Christian spirituality and as a Catholic modernist who helped to shake the church out of its dogmatic slumbers by embracing pure love artistic poetic expression and mystical prayer as the privileged manifestations of spiritual truth Drawing on substantial new scholarship in France that has resuscitated and reinterpreted Bremond s work for our own times and that sees Bremond as an important precursor of current trends in literary interpretation as well as spirituality Gorday surveys the entirety of Bremond s corpus of writing setting his work in its context of his personal struggles as well as the wider setting of French historical and cultural development **Wingbeats**

Reformation of Prayerbooks

Chaoluan Kao, 2017-11-13 In her study Chaoluan Kao offers a comprehensive investigation of popular piety at the time of the European Reformations through the study of sixteenth and seventeenth century Protestant prayerbooks. It pursues a historical contextual approach to spirituality by integrating social and religious history in order to yield a deeper understanding of both the history of Christian piety and of church history in general. The study explores seven prayerbooks by German authors and seventeen English prayerbooks from the Reformation and post Reformation as well as from Lutheran Anglican and Puritan traditions examining them as spiritual texts with social and theological significance that helped disseminate popular understandings of Protestant piety. Early Protestant piety required intellectual engagement emphasized a faithful and heartfelt attitude in approaching God and urged regular exercise in prayer and reading. Early Protestant prayerbooks modeled for their readers a Protestant piety that was a fervent spiritual practice solidly grounded in the social context and connections of its practitioners. Through those books Reformation could be understood as redefining the meanings of people's spiritual lives and re-discovering of a pious life. In a broader sense they functioned as a channel of historical and spiritual transition which not only tells us the transformation and transmission of Reformation historically but also signifies the development of Christian spirituality. The social historical study of the prayerbooks furthers our understanding of continuity change and inter-confessional influence in the Christian piety of early modern Europe.

Sufi

Rituals and Practices Kashshaf Ghani, 2023-11-29 The book is an in-depth study of the lesser explored history of Sufi practices in South Asia. Covering the formative period of Sufism in this region, the work studies practices like sama (listening to poetry and music) and zikr (remembrance of God) through the careers of the earliest Sufi orders in the region: Chishti and Suhrawardi. The book allows the reader critical insight into Sufi exercises, the meaning, structure and performance of sama, the long debate on the legality of music, dance and poetry as religious practices, tensions between Sufis and the State around the permissibility of sama, zikr as a core Sufi exercise, the practice of sama and zikr across orders and the importance of etiquette in Sufi communities. The work essentially understands spiritual practices as a critical element in the development of Sufism in South Asia. Moving beyond the limits of the north-south binary, the author also focuses on the Deccan, weaving a seamless narrative that reflects the contributions of generations of important Sufi masters. Shedding light on the private world of Sufi practices, the work for the first time introduces English language readers to a full-length translation of a treatise written in defence of listening to music and poetry as an integral spiritual exercise.

Compassion in Practice

Frank Rogers, 2016-08-01 Jesus was a spiritual teacher who demonstrated personal and social transformation. His earliest disciples were first known not as Christians but as followers of the Way. Jesus' Way was a spirituality of radical compassion. He taught how to love and be loved by an extravagantly compassionate God, how to cultivate love for ourselves and how to love our neighbors by extending love to the outcasts, the offensive and even our enemies. *Compassion in Practice* is an introduction to

Christian compassion It explains not just what Christian compassion looks like but how to practice it in a world ravaged by violence fear and reactivity This book teaches us how to love as Jesus loved Expanding on the foundation of Practicing Compassion Frank Rogers defines the way Jesus prepared his disciples to transform hearts hardened from the assaults of life into compassionate hearts Ishq Sufiyana: Untold Stories of Divine Love Ghulam Rasool Dehlvi, 2025-02-24 Ishq Sufiyana The Untold Stories of Divine Love is both fiction and non fiction It blends real life stories of Sufi Mystics mainly from India with imaginative elements and creative components When you read stories in this book you recall and recognize the teachings of Christ the Janamsakhis of Guru Nanak the exploits of Krishna and the lives of the Bodhisattvas embodied in Sufi mystics inspired by Prophet Muhammad An account of Indian Mystics Ishq Sufiyana is a selection of Sufi stories previously published in regular columns by the author as follows Mystic Mantra The Asian Age The Speaking Tree The Times of India People of the Sacred Books The Sunday Guardian Spiritual Meditations New Age Islam The purpose of this collection is to stimulate seekers across world religions and wisdom traditions to help them dive into an ocean of Ishq e Elahi Divine Love The values and virtues of the lives covered in Ishq Sufiyana remain alive today They reflect deep learning and understanding of the realm of divine love which transcends earthly bounds *All My Love, Louie* Judy J. Cain, 2022-04-04 Judy Cain's parents survived the Great Depression and saved everything they ever had One could call them pack rats or say that they had a hoarder starter kit One day while digging through her parents belongings after they both passed away and went HOME Judy came across some very old letters All were addressed to June Larson in Minneapolis MN and were all from Louis Nelson her sweetheart and future husband During World War II Louie had written over 300 letters to June as their love was blossoming In them he expressed his love for her his calling and dream of becoming a minister and servant of the Lord his struggle with stuttering his seeming lack of faith at different points during the war and what he felt was an inability to truly pray He shielded her from the gruesomeness of the war as they fell deeper and deeper in love with each other She provided the encouragement and support for him to stay strong and true to himself This book was originally written only for her family and contained only the letters but it has grown into much more Historical contextual information photographs poems scripture verses and his Unit's history are all woven throughout the letters to help provide a context and highlight his spiritual struggle to overcome barriers to the ministry and maintain if not grow his faith during frightening and gruesome experiences of the war in Europe If a man who felt the strong calling of God could overcome his struggles during a war then so can anyone God's power is limitless **The Practice of Finding** Holly W. Whitcomb, 2019-02-07 Seeking is in vogue these days Many of us are continually even obsessively striving and seeking for something or other But are we ever satisfied What is enough Holly Whitcomb presents the spiritual practice of finding as the antidote to chronic seeking and as the doorway to a grateful awareness of having received enough She reflects on wisdom distilled by the finders poets playwrights psychologists and theologians and derived from her own experience When we engage in finding we recognize with humility

and wonder that the universe contains possibilities beyond our power to imagine The Practice of Finding is an inspiring guide to that journey of discovery *Judaism in Practice* Lawrence Fine, 2021-04-13 This collection of original materials provides a sweeping view of medieval and early modern Jewish ritual and religious practice Including such diverse texts as ritual manuals legal codes mystical books autobiographical writings folk literature and liturgical poetry it testifies to the enormous variety of practices that characterized Judaism in the twelve hundred years between 600 and 1800 C E Its focus on religious practice and experience how Judaism was actually lived by people from day to day makes this anthology unique among the few sourcebooks available The volume encompasses the broad scope and complex texture of Jewish religious practice taking into account many aspects of Jewish culture that have hitherto been relatively neglected the religious life of ordinary people the role and status of women art and aesthetics and marginalized as well as remote Jewish communities It introduces such remarkable personalities as Moses Maimonides Leon Modena and Gluckel of Hameln and presents extraordinary texts on festival practice Torah study mystical communities meditation exorcism the practice of charity and folk rites marking birth and death Representing state of the art scholarship by distinguished academics from around the world the volume includes many materials never before translated into English Each text is preceded by an accessible introduction making this book suitable for college and university students as well as a general audience Whether read as a deliberate course of study or dipped into selectively for a glimpse into fascinating Jewish lives and places *Judaism in Practice* holds rich rewards for any reader *The Christian Science Journal* ,1927 **Religions of India in Practice** Donald S. Lopez, Jr., 2020-07-21 The inaugural volume of Princeton Readings in Religions brings together the work of thirty scholars of the religions of India in a new anthology designed to reshape the ways in which the religious traditions of India are understood The book contains translations of forty five works most of which have never before been available in a Western language Many of these highlight types of discourse especially ritual manuals folktales and oral narratives and voices vernacular esoteric domestic and female that have not been sufficiently represented in previous anthologies and standard accounts of Indian religions The selections are drawn from ancient texts medieval manuscripts modern pamphlets and contemporary fieldwork in rural and urban India They represent every region in South Asia and include Hindu Buddhist Jain Sikh and Muslim materials Some are written texts reflecting elite concerns while others are transcriptions of oral narratives told by nonliterate peasants Some texts are addressed to a public and pan Indian audience others to a limited coterie of initiates in an esoteric sect and still others are intended for a few women gathered in the courtyard for a household ceremony The editor has reinforced this diversity by arranging the selections within several overarching themes and categories of discourse hymns rituals narratives and religious interactions and encourages us to make our own connections *Non-Elegiac Latin Love Poetry of Late Antiquity* Vasileios Pappas, 2025-05-19 For about five hundred years between Ovid's death 17 AD and Maximianus Elegies 6th century AD the genre of love elegy disappears Does this mean that love poetry in general was no longer being written This

was certainly not the case Poets continued to compose love poetry merely in other forms than elegy This book deals with non elegiac Latin love poetry of Late Antiquity It is the first monograph to focus on the metaliterary interpretation of four non elegiac poetic works the *Pervigilium Veneris* Ausonius Bissula Reposianus *De concubitu Martis et Veneris* and the *Aegritudo Perdicae* The book contains all the required information about these poems including their date authorship structure and literary tradition However its content is predominantly original as it examines subjects that have not previously been discussed in the past These include a the generic interaction between the poems host genre and several guest genres that are present within them b the metaliterary discourse developed in several passages which reveals the metapoetic self consciousness of their poets c their hidden demands for the innovation of love poetry and d their allusive comments on the conservatism of this era
