Teach Only Love Gerald G. Jampolsky,2011-10-04 Dr Jampolsky believes there is another way of looking at life that makes it possible for us to walk through this world in love at peace and without fear This other way requires no external battles but only that we heal ourselves It is a process he calls attitudinal healing because it is an internal and primarily mental process Jampolsky believes that attitudinal healing when properly practiced will allow anyone regardless of her circumstances to begin experiencing the joy and harmony that each moment holds and to start her journey on a path of love and hope The mind can be retrained Within this fact lies our freedom Our attitudes determine whether we experience peace or fear whether we are well or sick free or imprisoned Love in its true meaning is the attitude that this book is about Love is total acceptance and total giving with no boundaries and no exceptions Love being the only reality cannot be transformed It can only extend and expand It unfolds endlessly and beautifully upon itself Love sees everyone as blameless for it recognizes the light within each one of us is Love is the total absence of fear and
