Erickson,2023-12-06 Exploring the changes between the Old and New Testament provides an open window to the wide ranging vision of God s work in the human race It is actually a remarkable vision which stretches from the beginning of the universe to the end of time as we know it But many aspects of the Old Testament are difficult to understand today The ancient origins of the Old Testament OT explains part of the difficulty The OT was written thousands of years ago in cultures and time periods very different from our own These vast differences in culture

make many practices in the OT seem unusual today Understanding and making sense of the changes between the OT and NT is one of the key purposes of this book Many changes become more understandable when you compare God's instructions for a nation OT with God's instructions for freely gathered communities of faith who follow Jesus as Messiah NT These changes will be highlighted in the chapters of this volume along with other key principles for understanding differences between the Old and New Testament God's greater purposes will be in view along with current insights and concepts

When Faith Catches Fire Samuel Rodriguez, Robert C. Crosby, 2017-06-20 God Loves a Heart on Fire What can move your faith from a principle you learn to a passion you experience According to Samuel Rodriguez and Dr Robert Crosby the answer might be found in a surprising place the Latino church As the fastest growing minority in America Latinos are impacting church culture through vibrant worship fervent prayer and a commitment to change the world one soul at a time As a follower of Jesus has your soul been truly set afire Christian leaders are witnessing a remarkable phenomenon kindled first in the Latino Hispanic community and spreading like wildfire throughout the global church Latinos are much discussed in the United States for their dynamic political and socioeconomic impact but not as much is said about their spiritual influence In reality the effects of the Latino church are more akin to a spiritual awakening than a mere social trend And there is so much all believers can learn from Latino Christ followers At the core of this dramatic shift is a call to embrace a more soulful passionate faith In this powerful book Christians will gain valuable insights on how to fully experience the joy of God and the passion of His Spirit develop a true sense of unity amidst diversity in the body of Christ make an eternal impact on their families communities and the world Complete with discussion questions for individual reflection or small group use this timely work will challenge the status quo of passionless Christianity and set the believer's soul ablaze When Faith Catches Fire is both an exploration and a celebration of the salsafication of the church God will use it in splendid ways John Ortberg senior pastor and author of All the Places to Go The passionate fire from the heart of this book will serve as a rallying cry to all Latinos and beyond Ronnie Floyd senior pastor past president of the Southern Baptist Convention
