*Stuck in Halftime* Bob Buford, 2001 A bestselling author coaches readers on how to get past the barriers that stand in their way to maturity and fulfillment It outlines eight myths of midlife and explains the new set of rules for this second half of life's journey Combining practical guidance with personal stories of people who have become unstuck this book can renew the vision and significance of a life in Christ *From Success to Surrender* Chris Arnold, 2025-07-08 Chris Arnold suddenly and unexpectedly found himself escorted from his corner office his corporate career abruptly ending with a modest severance package and a cab ride home However what appeared to be an ending became God's beginning From Success to Surrender chronicles this transformative journey of stepping away from worldly success to embrace God's greater purpose This isn't just another story about losing a job and finding faith It's a raw exploration of what happens when God disrupts our carefully constructed plans to reveal His divine purpose Through unexpected events from prophetic words in business meetings to yellow birds in his backyard Chris learned the difference between just knowing about God and instead truly knowing Him Written from the crucible of personal experience this book guides readers through the valleys of uncertainty the mountaintops of revelation and the desert places of waiting Chris shares practical wisdom for anyone who has achieved worldly success yet senses something missing who wonders how to hear God's voice in practical decisions or who feels caught between maintaining control and trusting God completely The journey from success to surrender isn't about abandoning achievement it's about redefining it through the lens of God's perfect plan Drawing from his experience as a

quarterback corporate executive and business leader Chris offers both inspiration and practical tools for those seeking to align their marketplace work with God's calling. His story demonstrates how to minister effectively within the business world rather than leaving it behind. For anyone wrestling with purpose, identity, or direction, this book provides a roadmap for discovering what it truly means to surrender success for significance in God's kingdom. **Baptizing Business** Bradley C. Smith, 2020-07-27

*Baptizing Business* sifts through popular perceptions regarding the relationship between business and religion and the agenda of conservative Christian business leaders, drawing on personal interviews with the most diverse group of evangelical executives yet studied. While stereotypes and previous research both emphasize the perceived incompatibility of religious mandates and business objectives, Bradley C. Smith argues that evangelical executives experience tension not because business and religion are inherently opposed but because they are made to feel like second-class citizens by members of their own faith communities. Indeed, in cases of apparent conflict between faith and business, evangelical executives insist that it is faith, not business, that must be reconceived. Smith reveals that evangelical business leaders are as inclined to export business concepts into other domains as to import religious objectives into business contexts, prompting us to reconsider the direction of influence between religious and economic life. *Baptizing Business* is filled with compelling stories that paint a nuanced, unbiased picture of the increasing influence of intensely religious business leaders. The spirit of capitalism, defined by Max Weber as a positive attitude toward work and wealth, finds ongoing embrace and new expression in evangelical executives and their accounts, with implications for our understanding of the faith at work movement, evangelicalism, and the role of religion among elites. *Gun Lap* Robert Wolgemuth, 2021-05-25

It's never too late to run life's race with purpose. In a long-distance race, when the lead runner starts his final lap, the starter fires his pistol a second time. This signals the start of the gun lap, the last chance to leave it all out on the track. Respected author Robert Wolgemuth suggests that life offers a gun lap as well: a chance to give it all you've got. And he encourages men to run the last part of life's race with perseverance and focus. Offering practical advice and biblical truth, *Gun Lap* will speak to older men who want to finish strong but also to younger and middle-aged men who want to run life's race with intention. There's no need to shift into neutral, no matter your age, because this could be your best lap yet. You'll be coached to continue influencing your family and community for the better. To continue caring for your soul and for your physical body. To prioritize your relationship with God and the good work you have left to do. We only get one chance to live. Keep running and do so with determination and courage. Let *Gun Lap* challenge you to stay in the race and relish each stride. *Mansfield's Book of Manly Men* Stephen Mansfield, 2013-11-26
