Country Life Illustrated ,1986 **New York Times Saturday Review of Books and Art** ,1969 **New York Times Book Review and Magazine** ,1969 **The Role of Polonius in Hamlet** Jens Saathoff,2011-09 Essay from the year 1993 in the subject English Language and Literature Studies Literature University of Reading language English abstract The role of Polonius is a comparatively short one since he is killed in the third act and thus does not appear in the last two acts And although his death exerts a decisive influence on the further plot of the play the consequences of his death are not really part of his role they rather relate to and depend on Ophelia s and Laertes s reactions to his being killed That might explain why many critical studies of Hamlet seem to neglect Polonius or at least are far from giving a full portray of this character However it is remarkable that Polonius appears in all the scenes of the second and the third acts and also in the scenes 2 and 3 of the first act And the fact that his entrances are so frequent indicates a certain importance So what can be said about this character
