Handbook For Rhythmical Einreibungen According To Wegman Or Hauschka:

Handbook for Rhythmical Einreibungen Monica Layer, 2006 Rhythmic Einreibungen consist of gentle forms of therapeutic massage by nurses caregivers and therapists familiar with the methods and principles of Anthroposophy The German word Einreibung refers to the application of oil or liniments to the body The methods first developed eighty years ago by doctors Ita Wegman and Margarethe Hauschka were initially used only in medicine and nursing They have since been applied more broadly in other areas of healthcare nursing homes hospitals clinics special education and social therapies This clear comprehensive manual is intended for all those who wish to use rhythmical Einreibungen professionally or to renew and deepen their knowledge those who have had some training in the field and want to deepen their knowledge those who teach rhythmical Einreibungen and those who would like an in depth introduction to this effective healing method The book describes aspects of the anthroposophic image of the human being that are relevant within the context It discusses important concepts for the application and effectiveness of rhythmical Einreibungen The book also distinguishes between rhythmical massage and rhythmical Einreibungen and offers details on how the rhythmic quality is created for this particular therapy The authors also describe the techniques most important in nursing and offer specific exercises that help develop the particular skills needed for this procedure Dr Margarethe Hauschka Stavenhagen 1896 1980 encountered Anthroposophy before becoming a medical doctor She learned techniques of massage during her initial employment in her uncle's clinic As a preparation for her work in Dr Husemann's clinic and on his suggestion she studied therapeutic eurythmy and later helped Dr Ita Wegman develop the method of the rhythmic massage In 1942 she married Dr Rudolf Hauschka in Vienna Until her death in 1980 she taught and lectured on rhythmic massage and art therapy

The Healing Power of Touch -

Guidelines for Nurses and Practitioners Georg Seifert, Alfred Längler, 2021-11-26 This book offers precise and highly informative instructions for nurses and caregivers on how to select external applications for various indications and how to perform them on children It also enables readers to gain a deeper understanding of the skin its functions and the therapeutic potential of external applications The sense of touch is the first sensation that develops in the body during embryonal development therefore it is essential for orientation in the world from the beginning of life The skin is known as the body's protective mantle It is the largest sensory organ of the human body and plays a key role in perception social interaction and health Touch and external applications to the skin can have a lasting effect on overall health and wellbeing and contribute to the healing of various conditions in children Through the skin children react sensitively to external influences like natural active ingredients and touch These mechanisms are particularly relevant with regard to the deep relationship between the skin and the organism as a whole External applications use these mechanisms to support the health and healing processes in children The book is intended for healthcare professionals interested in complementing conventional pediatric care with external applications especially in daily use by nurses and caregivers Nurses will find guidance from complementary

medicine and care to deal with various indications occurring in various pediatric fields like pediatric surgery psychiatry oncology intensive care neonatology and during the phases of child development In addition to the detailed descriptions of the application techniques it provides insights into the theory behind external applications and explains the mechanisms of action Furthermore it includes case studies scientific data and personal reports from experts **Mind-body medicine and its impacts on psychological networks, quality of life, and health** Steffen Schulz, Georg Seifert, Dirk Cysarz, 2023-04-27
