Annis,H.D. Cappell,F.B. Glaser,M.S. Goodstadt,L.T. Kozłowski,2013-11-11

This is the tenth volume in the Research Advances series and the seventh published by Plenum Press Volume 10 is another omnibus volume providing specialized and advanced reviews in a number of areas related to the use of alcohol illicit drugs and tobacco We include also a brief history of the Center for Alcohol Studies that gives Mark Keller s unique perspective on this noted institution Two of the chapters are decidedly longer than the others very long chapters have appeared occasionally in the past and we think that it is one of the strengths of the series that we are able to accommodate such reviews Again the editorial board has changed After several years of service Reginald G Smart has stepped down New to the board are Helen M Annis Michael S Goodstadt Lynn T Kozlowski and Evelyn R Vingilis This is likely to be the sole volume for which Goodstadt is on the board since before completion of this volume he moved from the Addiction Research Foundation to the Center for Alcohol Studies Rutgers University *A Manual of Pharmacology and Its Applications to Therapeutics and Toxicology* Torald Hermann Sollmann,1917 **The Practical Handbook of Clinical Gerontology** Laura L. Carstensen,Barry A.

Edelstein,Laurie Dornbrand,1996-06-24 Applied gerontology and geriatrics always entail a multidisciplinary perspective and usually demand an interdisciplinary treatment approach Providing a unique combination of perspectives treatment approaches and expertise The Practical Handbook of Clinical Gerontology explores issues relevant to practitioners who work with the elderly A leading cast of contributors representing the fields of psychology medicine neuropsychology nursing and law examines what is known about specific disorders and discusses treatment techniques and the development of intervention plans This comprehensive volume begins with an overview of several broad topics pertinent to the treatment of older adults and discusses special considerations in assessment It then presents up to date information on treatment of specific psychological and behavioral disorders of older adults The final section covers interdisciplinary issues including information about common medical problems rehabilitation and the psychopharmacological treatment of mental health problems Written in a language that is accessible to a general health care audience this extensive volume will be a valuable resource for mental health care providers medical students researchers and graduate students in such fields as geriatrics gerontology nursing psychology and social work Please note the following three quotes are from the same person This handbook has a variety of attributes that make it a highly desirable desk reference for today s mental health practitioners in geriatrics and gerontology Few stones have been left unturned in the 22 reader friendly chapters that comprise the handbook Not only are general treatment issues addressed in great detail but assessment procedures the treatment of specialized psychological and behavioral problems and even issues in effective collaboration with medical geriatricians are considered The scope and breadth of clinical knowledge and wisdom found within the covers of this volume are certainly impressive Lenard W Kaye Professor Bryn Mawr College The authors have succeeded in drawing on the expertise of a broad range of recognized authorities in clinical gerontology who have the capacity to communicate to the reader with considerable clarity both current information and best practice strategies of mental health intervention with older adults Lenard W Kaye

Professor Bryn Mawr College It would be difficult to find another reference source in clinical gerontological practice that is able to deal with the challenges of practice in this area with greater comprehensiveness and authority The multidisciplinary perspective of the handbook ensures it being a valuable addition to the clinical practice collections of psychologists social workers nurses gerontologists and other allied health professionals And once obtained it should not gather dust given the currency and utility of the information Lenard W Kaye Professor Bryn Mawr College
