Aged by Culture Margaret Morganroth Gullette, 2004-01-15 Reveals that aging doesn't start in our chromosomes but in midlife downsizing the erosion of workplace seniority threats to Social Security or media portrayals of aging Xers and greedy Baby Boomers To combat the forces aging us prematurely Gullette invites us to change our attitudes our life storytelling and our society An impassioned manifesto against the pernicious ideologies that steal hope from every stage of our lives publisher web site

Stable Wisdom Shirley J. Potterton, 2013-07-15 Although midlife has been traditionally viewed as a time of decline science and experience are demonstrating that most of our fears are unsupported For many women it can be a time to rediscover important aspects of themselves that have been left due to the responsibilities of motherhood and careers In *Stable Wisdom* lifelong horsewoman Shirley Potterton provides a one of a kind guide for women on a midlife journey that encourages transformation and positive changes with the help of an equine companion Potterton whose love for horses was rekindled at midlife relies on experiences from her own journey of self discovery as well as others to share powerful tools and exercises to help women embrace the

wisdom of an intuitive creature in order to move forward develop new skills and utilize innate strengths Through a step by step plan that can be applied with or without a horse women can learn how to listen to the inner voice for direction create and renew energy levels develop a courageous approach to life bring insight wisdom and experience to leadership roles and initiate self reflection without judgment Stable Wisdom provides valuable guidance tools and confidence for any woman in midlife who dares to think big and is ready to discover her own unique wisdom and implement exciting life changes

Invitation to the Life Span Kathleen Stassen Berger,2013-03-01 Edition after edition Kathleen Stassen Berger s bestselling textbooks connect all kinds of students to current state of developmental psychology in an engaging accessible culturally inclusive way Berger s *Invitation to the Life Span* does this in just 15 concise chapters in a presentation that meets the challenges of exploring the breadth of the life span in a single term The new edition of *Invitation to the Life Span* incorporates a wide range of new research especially in fast moving areas such as brain development and psychopathology while taking advantage of innovative new tools for media centered teaching and learning But throughout as always the signature voice of Kathleen Berger ties it all together with relatable explanations of scientific content wide ranging cultural examples and skill building tools for sharper observation and critical thinking
