Historical Atlas Of British Columbia And The Pacific Northwest:

Historical Atlas of the Pacific Northwest Derek W. Hayes,1998 *Historical Atlas of the Pacific Northwest* Derek Hayes,1999 Reproductions of 320 original maps from 16th century ocean voyages to the Pacific Northwest to 20th century maps of transcontinental railways **British Columbia** Derek Hayes,2019-07-31 Over 900 maps plus 300 illustrations and photographs tell the story of the planners schemers gold seekers and fur traders who built Canada s westernmost province

Historical Atlas of Canada Derek Hayes,2015 Maps tells the story in this innovative volume and the story of Canada they tell is profoundly engrossing and rewarding The atlas covers a period of a thousand years and contains essentially all the historically significant maps of the country Gathered from major archives and libraries all over the world they include treasures from the National Archives of Canada many never before published and many from the archives of the Hudson s Bay Company Included are maps by the founder of New France Samuel de Champlain by Philip Turnor and Peter Fidler There are English maps and French maps Spanish maps and Russian maps American Italian and Dutch maps as well as maps drawn by Native people such as the Beothuk Blackfoot and Cree Canada s colourful past unfolds in sumptuous visual detail history seen from a whole new perspective **Historical Atlas of the Arctic** Derek Hayes,2003 The vast empty spaces of the Poles were the last frontier to be assailed by explorers intent on achieving a geographical goal But long before the North Pole was finally attained men sailed the seas searching for an easier and shorter path to the riches of the Orient The mapmakers of the day translated sparse information into often fanciful sometimes stunningly artistic maps Author Derek Hayes documents the international race for the Pole involving expeditions on foot by hot air balloon and by airplane Along with the detailed historical maps Hayes provides insightful commentary and describes the aspirations and motivations of explorers and the harsh realities they faced Hayes also presents a number of revealing and often beautiful scientific maps produced at a time when the military and those in search of oil probed the ocean and the ice of the arctic frontier

Historical Atlas of the North Pacific Ocean Derek Hayes,2001-01-01 Map junkies rejoice Derek Hayes author of *Historical Atlas of the Pacific Northwest* delivers another stunning atlas filled with stories of explorations and exquisite historical maps Over five hundred years of maps depicting the North Pacific Ocean and the lands that border it the United States Canada Alaska Russia Japan Korea and China have been collected into this new atlas From antique maps of the sixteenth century to modern satellite images this volume covers all the major explorations such as Magellan Bering Cook and Vancouver Perry s opening of Japan and the U S North Pacific Exploring Expedition It also includes modern maps that use the latest technology to show ocean currents fault lines and the seabed in astounding detail **Historical Atlas of Canada: From the beginning to 1800** Donald P. (Peter) Kerr,1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century **Geography of British Columbia, Third Edition** Brett McGillivray,2011-01-01 Why is British Columbia unique within Canada What forces have made its landscape so rugged its

population so diverse How have its resources been exploited and managed in the past and in the present Brett McGillivray adopts mainly a thematic rather than a regional approach to answer these questions Beginning with a regional overview and introduction to geographic concepts he then moves to discuss the physical processes that produced a spectacular variety of mountains lakes fjords forests and minerals His thematic exploration traces the province s historical geography including First Nations lifeways colonization Asian immigration and institutionalized racism Detailed accounts of BC s economic geography forestry fisheries mining energy supply and demand agriculture water and tourism culminate in a discussion of contemporary issues such as urbanization economic development and resource management This fully revised edition is enhanced by updated figures maps and graphs and by new discussions including how globalization climate change and recession are influencing the province and its people

Explorers of the Maritime Pacific Northwest William L. Lang Ph.D., James V. Walker, 2016-05-09 Covering the adventures of coastal and ocean explorers who made key discoveries and landmark observations from northern California up the coastline to Alaska during the mid 1700s to the early 1800s this anthology of primary source journal entries book excerpts maps and drawings enables readers to discover the Northwest Coast for themselves More than 200 years ago explorers traveled from Central America Russia and even Europe to explore the coastline of the American Pacific Northwest with goals of developing new trade routes claiming territory for their home countries expanding their fur trade or exploring in the name of scientific discovery This book will take readers to the decks of the great ships and along for the adventures of legendary explorers such as James Cook Alejandro Malaspina and George Vancouver This book collects primary source materials such as journal entries book excerpts maps and drawings that document how explorers first experienced the unknown Pacific Northwest coast as seen through the eyes of non native people Readers will learn how explorers such as Vitus Bering and Robert Gray used the full extent of their powers of observation to record the landscape animals and plants they witnessed as well as their interactions with indigenous peoples during their search for the mythic Northwest Passage The book also explains how the maritime explorers of this period mapped the remote regions of the Northwest Coast working without the benefit of modern technology and relying instead on their knowledge of a range of sciences mathematics and seamanship in addition to their ability to endure harsh and dangerous conditions to produce exceptionally detailed maps

An Historical Atlas of Canada Lawrence Johnstone Burpee, 1927 Besides showing historical development contains maps showing climate vegetation population and resources of Canada

Historical Atlas of Canada: The land transformed, 1800-1891 Geoffrey J. Matthews, Don Measner, 1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century

Concise Historical Atlas of Canada Geoffrey J. Matthews, Conrad Heidenreich, Byron Moldofsky, Thomas F. McIlwraith, John Warkentin, 1998-01-01 A distillation of sixty seven of the best and most important plates from the original three volumes of the bestselling of the Historical Atlas of Canada

The Archive of Place William Turkel, 2011-11-01 The Archive of Place

weaves together a series of narratives about environmental history in a particular location British Columbia's Chilcotin Plateau In the mid 1990s the Chilcotin was at the centre of three territorial conflicts Opposing groups in their struggle to control the fate of the region and its resources invoked different understandings of its past and different types of evidence to justify their actions These controversies serve as case studies as William Turkel examines how people interpret material traces to reconstruct past events the conditions under which such interpretation takes place and the role that this interpretation plays in historical consciousness and social memory It is a wide ranging and original study that extends the span of conventional historical research *The Land of Heart's Delight* Michael Layland, 2013 Just how and why did Vancouver Island get onto the map How was knowledge of our immediate geography acquired and recorded With 130 maps dating between 1593 and 1915 this cartographic history tells the story of how Vancouver Island and the surrounding area came to be mapped The book shows local cartographic milestones marking progress in our knowledge through the island's rich although comparatively short recorded history However the maps by themselves and without context cannot tell the whole story The accompanying text reveals the motives constraints agendas and intrigues that underpin their making Publisher's description **A Research Guide to Cartographic Resources** Eva H. Dodsworth, 2018-09-22 The interdisciplinary uses of traditional cartographic resources and modern GIS tools allow for the analysis and discovery of information across a wide spectrum of fields A Research Guide to Cartographic Resources navigates the numerous American and Canadian cartographic resources available in print and online offering researchers academics and students with information on how to locate and access the large variety of resources new and old Dozens of different cartographic materials are highlighted and summarized along with lists of map libraries and geospatial centers and related professional associations A Research Guide to Cartographic Resources consists of 18 chapters two appendices and a detailed index that includes place names and libraries structured in a manner consistent with most reference guides including cartographic categories such as atlases dictionaries gazetteers handbooks maps plans GIS data and other related material Almost all of the resources listed in this guide are categorized by geography down to the county level making efficient work of the type of material required to meet the information needs of those interested in researching place specific cartographic related resources Additionally this guide will help those interested in not only developing a comprehensive collection in these subject areas but get an understanding of what materials are being collected and housed in specific map libraries geospatial centers and their related websites Of particular value are the sections that offer directories of cartographic and GIS libraries as well as comprehensive lists of geospatial datasets down to the county level This volume combines the traditional and historical collections of cartography with the modern applications of GIS based maps and geospatial datasets **Historical Atlas of Vancouver and the Lower Fraser Valley** Derek Hayes, 2007 Renowned author and map historian Derek Hayes provides a new and unique perspective on the Lower Mainland's colourful past Gathered together in a single volume for the first time

here are the maps that shaped Vancouver and its region the Lower Fraser Valley More than 370 original maps chart the region's development beginning with the years of discovery and exploration They depict its days as a fledgling colonial outpost its appearance on the world scene after the arrival of the Canadian Pacific Railway through to its emergence as a post war Pacific metropolis Included are many fascinating plans for schemes that never got off the drawing board This is the sixth in a series of critically acclaimed award winning historical atlases researched written and designed by Derek Hayes They include most recently a Historical Atlas of Canada and America Discovered A Historical Atlas of North American Exploration

Islands in the Salish Sea Judi Stevenson, Sheila Harrington, 2005 Gorgeous fascinating and unconventional the Islands in the Salish Sea show aspects of the Gulf Islands that are most beloved by the residents from heritage orchards fishing spots and patches of endangered wild orchids to ancient First Nations sites and bird colonies The community on each island decided what elements should be depicted and local artists then created each of the magnificent and wildly different maps This volume is a treasure trove of cherished information that could have been lost presented with imagination and great beauty The Islands in the Salish Sea Community Mapping Project was coordinated by Sheila Harrington and Judi Stevenson who live on Salt Spring Island

First Crossing Derek Hayes, 2009-12-01 First Crossing recounts an adventure of epic proportions in equal parts romantic historically significant and compelling It is the story of Canada's most famous explorer Alexander Mackenzie who in 1793 became the first person to cross the continent of North America north of Mexico With a mix of wonderfully readable text historical and contemporary photographs and archival maps and illustrations here is fresh insight into what drove Mackenzie to undertake his dramatic and dangerous quest for the Pacific Ocean and how his daring secured Canada's legacy

Madness, Betrayal and the Lash Stephen R.

Bown,2009-12-01 From 1792 to 1795 George Vancouver sailed the Pacific as the captain of his own expedition and as an agent of imperial ambition To map a place is to control it and Britain had its eyes on America s Pacific coast And map it Vancouver did His voyage was one of history s greatest feats of maritime daring discovery and diplomacy and his marine survey of Hawaii and the Pacific coast was at its time the most comprehensive ever undertaken But just two years after returning to Britain the 40 year old Vancouver hounded by critics shamed by public humiliation at the fists of an aristocratic sailor he had flogged and blacklisted because of a perceived failure to follow the Admiralty s directives died in poverty nearly forgotten In this riveting and perceptive biography historian Stephen Bown delves into the events that destroyed Vancouver s reputation and restores his position as one of the greatest explorers of the Age of Discovery
