Finn, Jr., John T. E. Cribb, Jr., William J. Bennett, 1999-12-24 If you care about the education of a child you need this book Comprehensive and easy to use it will inform empower and encourage you Just as William J Bennett's The Book of Virtues has helped millions of Americans teach young people about character The Educated Child delivers what you need to take control With coauthors Chester E Finn Jr and John T E Cribb Jr former Secretary of Education Bennett provides the indispensable guide Championing a clear back to basics curriculum that will resonate with parents and teachers tired of fads and jargon The Educated Child supplies an educational road map from earliest childhood to the threshold of high school It gives parents hundreds of practical suggestions for helping each child succeed while showing what to look for in a good school and what to watch out for in a weak one The Educated Child places you squarely at the center of your young one's academic career and takes a no nonsense view of your responsibilities It empowers you as mothers and fathers enabling you to reclaim what has been appropriated by experts and the education establishment It outlines questions you will want to ask then explains the answers or non answers you will be given No longer will you feel powerless before the education system The tools and advice in this guide put the power where it belongs in the hands of those who know and love their children best Using excerpts from E D Hirsch's Core Knowledge Sequence The Educated Child sets forth a state of the art curriculum from kindergarten through eighth grade that you can use to monitor what is and isn't being taught in your school It outlines how you can help teachers ensure that your child masters the most important skills and knowledge It takes on today's education controversies from phonics to school choice from outcomes based education to teaching values from the education of gifted children to the needs of the

disabled Because much of a youngster s education takes place outside the school The Educated Child also distills the essential information you need to prepare children for kindergarten and explains to the parents of older students how to deal with such challenges as television drugs and sex If you seek high standards and solid time tested content for the child you care so much about if you want the unvarnished truth about what parents and schools must do The Educated Child is the one book you need on your shelf Popular Educator ,1920 So You Want to Raise a Boy? W. Cleon Skousen, In writing this book Dr Skousen takes considerable comfort from the fact that there are no experts on the subject of raising boys He comes about as close as anyone since he is the father of five sons and three daughters and the grandfather of fifty grandchildren In this book is his description of boyhood from birth to the age of twenty one a portrait of physical and emotional development year by year an outline of behavior patterns and problems and how parents should react to them He considers such matters as the boy s relation to the family adjusting to school stuttering telling tales and even such everyday problems as getting a boy to clean up his room or take a bath Inevitably there will be difficult boys and with this in mind Dr Skousen gives helpful and knowledgeable advice to parents about alcohol drugs and suggested preventative measures Without preaching and with a fine sense of humor and good common sense Dr Skousen has compiled a concrete guide to raising non delinquent boys who are happy and well adjusted This eBook includes the original index illustrations footnotes table of contents and page numbering from the printed format The Indiana Teacher ,1958 **The Economist** ,1926 *The Publishers' Trade List Annual* ,1965
