History Modern Fashion Daniel James:

The History of Modern Fashion Daniel James Cole, Nancy Deihl, 2015-08-24 This exciting book explores fashion not simply from an aesthetic point of view but also as a manifestation of social and cultural change Focusing on fashion from 1850 noted fashion historians Daniel James Cole and Nancy Deihl consider the evolution of womenswear menswear and childrenswear decade by decade The book looks at the dissemination of style and the mechanisms of change at the relationship between fashion and the visual applied and performing arts the intertwined relationship between fashion and popular culture the impact of new materials and technology and the growing globalization of style With photographs of costume from museums and images from the fashion press including editorial photography illustrations and advertising the book will include insights into icons of fashion and the clothes worn by real people providing a valuable visual reference for the reader *The History of Modern Fashion from 1850* Daniel James Cole, Nancy Deihl, 2015 *Dress History of Korea*

Kyunghee Pyun, Minjee Kim, 2023-04-20 Bringing together a wealth of primary sources and with contributions from leading experts *Dress History of Korea* presents the most recent approaches to the interpretation of dress and fashion of Korea Through close analysis of visual written and material sources some newly excavated or recently re discovered in global museums the book reveals how dress and adornment evolved from the period of state formation to the modern era Authors with a range of academic and curatorial experience discuss the close relation of dress and adornments to the socio political and cultural history of Korea and place the dress history of Korea within broader contexts in studies of fashion material culture museology and costume design As in other cultures modern Korean fashion owes many of its styles to historic dress and this process of adaptation is explored within high fashion and popular culture contexts in ways that benefit historians curators and designers alike With key materials newly available to global readers *Dress History of Korea* is the indispensable guide to the study of Korean dress and fashion *Dressed for Freedom* Einav Rabinovitch-Fox, 2021-11-16 Often condemned as a form of oppression fashion could and did allow women to express modern gender identities and promote feminist ideas Einav Rabinovitch Fox examines how clothes empowered women and particularly women barred from positions of influence due to race or class Moving from 1890s shirtwaists through the miniskirts and unisex styles of the 1970s Rabinovitch Fox shows how the rise of mass media culture made fashion a vehicle for women to assert claims over their bodies femininity and social roles She also highlights how trends in women s sartorial practices expressed ideas of independence and equality As women employed new clothing styles they expanded feminist activism beyond formal organizations and movements and reclaimed fashion as a realm of pleasure power and feminist consciousness A fascinating account of clothing as an everyday feminist practice *Dressed for Freedom* brings fashion into discussions of American feminism during the long twentieth century **Design History Beyond the Canon** Jennifer Kaufmann-Buhler, Victoria Rose Pass, Christopher

Wilson, 2019-02-07 *Design History Beyond the Canon* subverts hierarchies of taste which have dominated traditional

narratives of design history The book explores a diverse selection of objects spaces and media ranging from high design to mass produced and mass marketed objects as well as counter cultural and sub cultural material The authors research highlights the often marginalised role of gender and racial identity in the production and consumption of design the politics which underpins design practice and the role of designed objects as pathways of nostalgia and cultural memory While focused primarily on North American examples from the early 20th century onwards this collection also features essays examining European and Soviet design history as well as the influence of Asia and Africa on Western design practice The book is organised in three thematic sections Consumers Intermediaries and Designers The first section analyses a range of designed objects and spaces through the experiences and perspectives of users The second section considers intermediaries from both technology and cultural industries as well as the hidden labour within the design process itself The final section focuses on designers from multiple design disciplines including high fashion industrial design interior design graphic design and design history pedagogy The essays in all three sections utilise different research methods and a wide range of theoretical approaches including feminist theory critical race theory spatial theory material culture studies science and technology studies and art history *Design History Beyond the Canon* brings together the most recent research which stretches beyond the traditional canon and looks to interdisciplinary methodologies to better understand the practice and consumption of design
