Underwood James Jinhong Kim, 2022-03-31 Who was Horace G Underwood and what possible significance could another missionary of the nineteenth century have to help us rethink our approach to global Christianity and mission in the twenty first century As the first Protestant missionary to set foot in Korea the last hermit kingdom Underwood is regularly credited with Christianity's unparalleled success and continuing fervent presence in Korea today including its corps of over 27 000 fulltime missionaries in 170 countries around the globe second only to the US in the number of missionaries sent to foreign lands But as extraordinary as his journey to Korea may have been for this arguably most under recognized Protestant missionary of all time it may be his journey from it that offers us vital insights for the future of missions From the making of Underwood through his formative years in England France and America to the Neo Confucian culture he encountered among the people in Korea this book culminates with the presentation and analysis of his previously unknown private letters from the years between 1884 and 1898 showing us the gradual process of interculturalization he himself underwent as a missionary that allowed him to discover and encourage global yet local expression of faith in Korea

A Scott Moreau *Toward a Common Future* William G. Rusch, 2019-05-20 This book provides a specific proposal for churches divided by centuries long disputes and disagreements to move toward a vision of the unity of the church It seeks to offer a way for divided churches to move beyond the present quagmire that challenges much of the modern ecumenical movement Building upon the theological dialogues between the churches this volume identifies and supplies a way for churches to regain a momentum that seems

recently to have been lost in the ecumenical movement Constants in Context Stephen B. Bevens, Roger P. Schroeder, Roger Schroeder, 2004-01-01 Mission is handicapped without a sound biblical theology of mission and an understanding of the history of mission leading up to our current context Constants in Context offers both of these elements It is mission theology in historical perspective and or a history of mission that is grounded theologically The authors describe it as a systematic theology with mission at its core and a church history shaped by the constant but always contextual Christian traditions Furthermore it is a constructive contribution to how mission theology needs to be practical and lived out through today s church and in our world Written collaboratively by Roman Catholic writers Stephen Bevens and Roger Schroeder both Missionaries of the Divine Word SVDs It is a particularly insightful in regard to the history and the various streams of Catholic mission but it also addresses and learns from the other traditions of the church In fact one of the book s strengths is its attention to neglected aspects and hidden stories of church and mission history As a result it is gratifying to be inspired by non European mission women in mission and various forgotten or often ignored branches of the church The book is in three sections first there is a framework for cultural contexts and theological constants second an in depth exploration of historical stages and different models for mission and third a presentation of theological frameworks for mission The third section concludes with a case for mission as prophetic dialogue being the most appropriate model for 21st century mission Amazon com Mission in the Early Church Edward L. Religion, Globalization and Culture Peter Beyer, Lori Gail Beaman, 2007 The topic of religion and globalization is complex susceptible to a great variety of approaches This book combines contributions from many authors who examine a wide range of subjects ranging from overall theoretical considerations to detailed regional perspectives No single understanding of either religion or globalization is privileged *Participating in God's Mission* Craig Van Gelder, Dwight Zscheile, 2018-01-11 Explores how the church has engaged and should engage the American context What might faithful and meaningful Christian witness look like within our changing contemporary American context After analyzing contemporary challenges and developing a missiological approach for the US church Craig Van Gelder and Dwight Zscheile reflect on the long complex and contested history of Christian mission in America Five distinct historical periods from the beginning of the colonial era to the dawn of the third millennium are reviewed and critiqued They then bring the story forward to the present day discussing current realities confronting the church discerning possibilities of where and how the Spirit of God might be

at work today and imagining what participating in the triune God's mission may look like in an uncertain tomorrow **Ten Great Ideas from First Corinthians** George Renner, Mark Shaw, 2021-10-19 First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the Western world in the twenty first century The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus's death and resurrection God has begun his new creation agenda amid the broken world of today This is not just another commentary there are many very good ones but rather we present a biblical theology of church renewal based on solid exegesis and our experience as teachers and pastors in both Africa and North America This book will pull out the essential teaching of Paul on renewal in ten manageable principles or great ideas Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope When churches make the shift from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things the church begins to move and the world begins to change **Children of the Calling** Eric Nelson Newberg, Lois E.
