## **History Sullivan's Campaign Against Iroquois:**

**History of Sullivan's Campaign Against the Iroquois** A. Tiffany Norton, 1879      **HISTORY OF SULLIVAN'S CAMPAIGN AGAINST THE IROQUOIS** A. TIFFANY. NORTON, 2018      *A Well-executed Failure* Joseph R. Fischer, 1997  
Sullivan and his four brigades of Continental regulars torched forty Iroquois settlements and destroyed 160 000 acres of corn but ultimately failed in removing the Iroquois from the conflict Instead the crusade increased the dependency of the Iroquois remnant on its British supporters and galvanized raiding activities Fischer suggests that the historical focus on the campaign's failure has overshadowed its importance as a vehicle for understanding the Continental army at a turning point in the war

History of Sullivan's Campaign Against the Iroquois A. Tiffany Norton, 2015-07-12 Excerpt from History of Sullivan's Campaign Against the Iroquois Being a Full Account of That Epoch About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **History of Sullivan's Campaign Against the Iroquois; Being a Full Account of That Epoch of the Revolution** A Tiffany Norton, Alison Mason Kingsbury, Morris Bishop, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *History of Sullivan's Campaign Against the Iroquois* A. *History of Sullivan's Campaign Against the Iroquois* A. T. Norton,2008-01-01 This is an account of the campaign against the Iroquois Indians during the American Revolution The Indians were allied to the British and an expedition was sent against them to neutralize their threat to the western frontier of the newly forming nation

*Narratives of Sullivan's Expedition, 1779* John L. Hardenbergh,William McKendry,William Elliott Griffis,2010-11 A decisive campaign of the American War of Independence The fast moving political situation of the latter part eighteenth century in America impacted upon the indigenous Indian tribes of the eastern woodlands as old loyalties and allegiances were fractured by the wars between European powers The French in North America had but lately been deposed by the British when a new war broke out between the American colonists and the Crown The Iroquois had remained loyal to the British but now the six nations were divided Four tribes the Mohawks Cayugas Onondagas and Senecas remained faithful to their British allies whilst the Tuscaroras and Oneidas allied themselves to the new nation of the United States Now Iroquois fought Iroquois Nevertheless the power of the four nations especially operating as guerrilla troops combined with Tory troops and Rangers could not be ignored as a substantial threat In 1779 Congress decided to break the influence of the Iroquois decisively and forever General John Sullivan and his troops of the Continental Army embarked on a scorched earth campaign which destroyed numerous Indian villages and brought the Indians and Tories to defeat at the Battle of Newtown The action all but put an end to attacks by Loyalists and Indians The survivors reeled back into Canada but the hardship caused to the tribes by this crushing defeat resulted in many deaths by starvation and cold in the following winter This history of the Sullivan Campaign is available in softcover and hardback with dustjacket

*History of Sullivan's Campaign Against the Iroquois* A. Tiffany Norton,2013-09 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Guide to American Indian History is a superb source to motivate and educate students who have a wide range of interests and talents. The provided topics typify and chronicle the long turbulent history of United States and Indian interactions and the Indian experience.

*George Washington's War on Native America* Barbara Alice Mann, 2005-03-30 The Revolutionary War is ordinarily presented as a conflict exclusively between colonists and the British fought along the northern Atlantic seacoast. This important work recounts the tragic events on the forgotten Western front of the American Revolution: a war fought against and ultimately won by Native America. The Natives, primarily the Iroquois League and the Ohio Union, are erroneously presented in history texts as allies or lackeys of the British, but Native America was working from its own internally generated agenda to prevent settlers from invading the Old Northwest. Native America won the war in the West, holding the land west and north of the Allegheny-Ohio River systems. While the British may have awarded these lands to the colonists in the Treaty of Paris, the Native Americans did not concur. Throughout the war, the unwavering goal of the Revolutionary Army under George Washington and their associated settler militias was to break the power of the Iroquois League, which had successfully held off invasion for the preceding two centuries, and the newly formed Ohio Union. To destroy the Natives in the way of land seizure, Washington authorized a series of rampages intended to destroy the League and the Union by starvation. Food, livestock, homes, and trees were destroyed first in the New York breadbaskets, then in the Ohio granaries, spreading famine across Native lands. Uncounted thousands of Natives perished from New York to Pennsylvania to Ohio. This book tells how, in the wake of the massive assaults, the Natives held back the American onslaught.

*Early History of the Wyoming Valley, An: The Yankee-Pennamite Wars and Timothy Pickering* Kathleen A. Earle, PhD, 2022 When Connecticut Yankees began to settle the Wyoming Valley in the 1760s, both the local Pennsylvanians and the powerful native Haudenosaunee Iroquois strenuously objected. The Connecticut Colony and William Penn had been granted the same land by King Charles II of England, resulting in the instigation of the Yankee-Pennamite Wars. In 1788, during ongoing conflict, a band of young Yankee ruffians abducted Pennsylvania official Timothy Pickering, holding him hostage for nineteen days. Some kidnappers were prosecuted, and several fled to New York's Finger Lakes as the political incident motivated state leaders to resolve the fighting. Bloody skirmishes, the American Revolution, and the Sullivan campaign to destroy the Iroquois all formed the backdrop to the territorial dispute. Author Kathleen A. Earle covers the early history of colonial life, war, and frontier justice in the Wyoming Valley.

**The American Revolution 1775-1783** Richard L. Blanco, 2020-12-06 This definitive encyclopedia, originally published in 1983 and now available as an ebook for the first time, covers the American Revolution. It comes in two volumes and contains 865 entries on the war for American independence. Included are essays ranging from 250 to 25,000 words on major and minor battles and biographies of military men, partisan leaders, loyalist figures, and war heroes, as well as strong coverage of political and diplomatic themes. The contributors present their summaries within the context of late 20th Century historiography about the American Revolution. Every entry has been written by a subject specialist and is

accompanied by a bibliography to aid further research Extensively illustrated with maps the volumes also contain a chronology of events glossary and substantial index HIST OF SULLIVANS CAMPAIGN AGA A. Tiffany Norton,2016-08-26
