participated in all three days of the battle before rejoining Hampton's Brigade. Also covered are the annual reunions where the old soldiers gathered to camp once again on the fields of Gettysburg. The veterans recount many tales of reconnecting with old comrades, memories of those who never made it home, and their reconciliation with former enemies. Every strata of the soldier experience at Gettysburg is represented from the highest general to the lowliest private. Every life is a story and provides a piece toward completing the puzzle of the human experience at Gettysburg.

**The Siege of Petersburg** John Horn, 2014-08-19. A revised and expanded tactical study of General Grant's Fourth Offensive during the American Civil War. The nine-month siege of Petersburg was the longest continuous operation of the American Civil War. A series of large-scale Union offensives and grand maneuvers that triggered some of the fiercest battles of the war broke the monotony of static trench warfare. Grant's Fourth Offensive, August 14-25, the longest and bloodiest operation of the campaign, is the subject of John Horn's revised and updated Sesquicentennial edition of *The Siege of Petersburg: The Battles for the Weldon Railroad, August 1864*. Frustrated by his inability to break through the Southern front, General Grant devised a two-punch combination strategy to sever the crucial Weldon Railroad and stretch General Lee's lines. The plan called for Winfield Hancock's II Corps with X Corps to move against Deep Bottom north of the James River to occupy Confederate attention while Warren's V Corps supported by elements of IX Corps marched south and west below Petersburg toward Globe Tavern on the Weldon Railroad. The move triggered the battles of Second Deep Bottom, Globe Tavern, and Second Reams Station, bitter fighting that witnessed fierce Confederate counterattacks and additional Union operations against the railroad before Grant's troops dug in and secured their hold on Globe Tavern. The result was nearly 15,000 killed, wounded, and missing, the severing of the railroad, and the jump-off point for what would be Grant's Fifth Offensive in late September. Revised and updated for this special edition, Horn's outstanding tactical battle study emphasizes the context and consequences of every action and is supported by numerous maps and grounded in hundreds of primary sources. Unlike many battle accounts, Horn puts Grant's Fourth Offensive into its proper perspective, not only in the context of the Petersburg Campaign and the war but in the context of the history of warfare. A superior piece of Civil War scholarship, Edwin C. Bearss, former Chief Historian of the National Park Service and award-winning author of *The Petersburg Campaign: Volume 1, The Eastern Front Battles* and *Volume 2, The Western Front Battles*, says it's great to have John Horn's fine study of August 1864 combat actions. Richmond, Petersburg style, back in print, covering actions on both sides of the James River with sections on Deep Bottom, Globe Tavern, and Reams Station. Utilizing manuscript and published sources, Horn untangles a complicated tale of plans gone awry and soldiers unexpectedly thrust into harm's way. This new edition upgrades the maps and adds some fresh material. Good battle detail, solid analysis, and strong characterizations make this a welcome addition to the Petersburg bookshelf. Noah Andre Trudeau, author of *The Last Citadel: Petersburg, June 1864–April 1865*. [Administrations of royal governors \(1719-1776\)](#)

Yates Snowden, Harry Gardner Cutler, 1920. **Gregory's New York Brigade:** Valgene L. Dunham, 2015-12-11. At the

beginning of October 1864 the only equipment most Union soldiers near Petersburg Virginia needed was a shovel including Gen Edgar Gregorys new reserve brigade which was digging trenches around the besieged city Most of the brigades volunteer members from New York had never fired a musket upon marching into the swamps and woods southwest of Petersburg But the dusty blue collar workers became a force to be reckoned with as they dug and marched westward to force Gen Robert E Lee to extend forces away from Petersburg Following the brigades largest battle Five Forks the Union marched rapidly westward to keep Lee from joining Gen Joseph Johnston The brigade was selected to assist in the surrender at Appomattox Those acts alone would have solidified the brigades place in history but its men also served as caretakers of the peace during their march back to Washington D C especially after the assassination of President Lincoln Gregorys New York Brigade deserves to be honored as much as those who fought in the major battles of the war Find out why in this detailed account of its well deserved place in history
