History Of Psychology Value Pack W Or Mysearchlab:

History of Psychology Thomas Hardy Leahey, 2009-01-07 MySearchLab provides students with a complete understanding of the research process so they can complete research projects confidently and efficiently. Students and instructors with an internet connection can visit [www MySearchLab com](http://www.MySearchLab.com) and receive immediate access to thousands of full articles from the EBSCO ContentSelect database. In addition, MySearchLab offers extensive content on the research process itself, including tips on how to navigate and maximize time in the campus library, a step by step guide on writing a research paper, and instructions on how to finish an academic assignment with endnotes and bibliography. This narrative history of psychology from the ancient Greeks through the present focuses on the main philosophical themes that have guided thinking in psychology while carefully considering the subject in its religious, social, and literary contexts. Topics include background to psychology containing information about the origins, spirituality, the seventeenth, eighteenth, and nineteenth centuries, founding psychology including scientific psychology and Sigmund Freud and psychoanalysis, and modern psychology. An excellent reference work for psychologists and psychoanalysts. *History of Psychology* D.
