Phillips,Dilip K. Das,2016-10-26 This book provides broad exposure to a variety of policing reforms that have not received adequate attention It includes information and examples from different countries regarding efforts to change aspects of policing that are problematic or involve changes in the way crimes are committed Some of the efforts to improve the police are relatively recent i e using social media and some areas of policing that seem to require frequent attention i e working with the public **Policing Pain** Kevin Revier,2025-11-11 How the medicalization of addiction during the U S opioid crisis has driven mass incarceration and mass policing in rural and deindustrialized communities The nationwide opioid public health emergency has led many advocates and public officials to call for drug policy reforms that reject traditional law and order approaches In Policing Pain Kevin Revier approaches the opioid epidemic from an abolitionist framework that seeks to treat people who use opioids not as so called criminals but as people in need of health care Based on two years of ethnographic research in Upstate New York a region highly impacted by overdoses job loss and deindustrialization Revier shows that incorporation of treatment within the criminal justice system has ultimately expanded the scope of the drug war turning individuals into treatable carceral subjects who are both medicalized and criminalized He argues that the incorporation of medical rhetoric and treatment within the criminal legal system maintains a carceral approach in rural and low income areas facing high rates of opioid overdose and economic disinvestment further entrenching the carceral state in the lives of people who use drugs Ultimately Policing Pain explores alternative strategies to promote harm reduction from an abolitionist ethic of care that advocates for people who use drugs while seeking to minimize criminal justice involvement in drug related issues *When Texas Prison Scams Religion* Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s

executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars *Tyler Police Department, 100 Years of Service* Tyler (Tex.).
