The History of Transylvania Ioan Aurel Pop, Mihai Bărbulescu, 2005 Today Transylvania is part of both Romania and Europe but above all it is the welcoming home of all its inhabitants For the first time in history its inhabitants can truly feel equal and at home The country is no longer the Transylvania of yesteryear but the traces of the past are present everywhere In the past suffering and happiness were experienced often at different times by Romanians Hungarians Germans Jews and ethnic groups alike Neither the suffering nor the joy must be forgotten The memories of the past are a priceless treasure and their preservation is the hallmark of a civilized nation The Transylvanian entity is a historical construct but at the same time today it accompanies us everywhere It is the only place in Europe where a Byzantine church stands beside a Romanesque basilica next to a Gothic church and not far from a Baroque one all located near a synagogue It is also the only place where an Orthodox place of worship lies a stone

Constitutional History of Transylvania Emőd Veress, 2023-04-13 This book examines the constitutional history of Transylvania a region of Central Europe that has experienced a compelling series of historical events and been governed by a variety of ancient medieval and modern entities as well as its own peoples who from time to time have jointly or separately exercised their right to self governance The book's main goal is to provide for the first time in English a comprehensive source for those interested in the variety of states constitutional and public legal orders which have succeeded one another during Transylvania's tumultuous history It serves to underline the region's uniqueness as a space where for better or worse several nationalities multiple religions and varied cultures have had to find a way to get along under the pressures of external state and constitutional orders It seeks to show both the positive and the negative solutions found which advanced or hindered this goal of organised coexistence
