Practicing Catholic James Carroll, 2010-04-02 A personal examination of the Catholic faith its leaders and its complicated history by a National Book Award winning New York Times bestselling author James Carroll turns to the notion of practice both as a way to learn and a means of improvement as a lens for this thoughtful and frank look at what it means to be Catholic He acknowledges the slow and steady transformation of the Church from its darker medieval roots to a more pluralist and inclusive institution charting along the way stories of powerful Catholic leaders Pope John XXIII Thomas Merton John F Kennedy and historical milestones like Vatican II These individuals and events represent progress for Carroll a former priest and as he considers the new meaning of belief in a world that is increasingly as secular as it is fundamentalist he shows why the world needs a Church that is committed to faith and renewal Carroll a former Catholic priest who wrote of his conflict with his father over the Vietnam War in An American Requiem revisits and expands on that tension in this spiritual memoir infused with church history Readers who like Carroll remain Catholic but wrestle with their church's positions on moral issues will most appreciate his story Publishers Weekly Thought provoking San Francisco Chronicle An engrossing faith memoir a page turner Kirkus Reviews *Exodus from Rome Volume 1* Dr. Todd D. Baker, 2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah
