Calhoun, Stephen W. Weston, J.D., 2017-07-27 The field of threat assessment and the research surrounding it have exploded since the first edition of Threat Assessment and Management Strategies Identifying the Howlers and Hunters To reflect those changes this second edition contains more than 100 new pages of material including several new chapters charts and illustrations as well as up *Strategic Litigation Manual* Eslava, Gabriela, Barragán, Maryluz, Albarracín, Mauricio, Albarracín, Lama Karamé, Albarracín, Nizar Saghie, 2021-03-30 Strategic Litigation Manual From Theory to Practice Lessons from Colombia and Lebanon aims to address every step of the process of strategic litigation The first part discusses how to select a strategic case and its components followed by part two which provides practical insights on the litigation itself and the part three explores the post decision phase In that sense the manual contains ten key steps that should be developed in a human rights litigation strategy These steps include identifying the injustice to be remedied envisioning the goal developing a legal strategy selecting the parties assessing risks and resources collecting evidence developing legal arguments building an outreach strategy ensuring that a win is effective or

investing in a loss and learning and retooling The manual presents a theoretical conception of each of these steps followed by an illustration of real case examples gathered from the litigation experience of Dejusticia and The Legal Agenda allowing the reader to understand strategic litigation in theory and practice This model is not meant to be prescriptive and it is based in our practice on litigation It is intended to be used as a toolkit to be improved upon with lessons learned from every case As learning is a key pillar of this model we encourage readers to retool the model and keep improving it with each new case they pursue

Human Resources Strategies Armin Trost,2019-10-18 The digitalization of businesses calls for new forms of leadership and collaboration as traditional human resources strategies are reaching their limits Personal responsibility networking and diversity are increasingly recognized as key prerequisites for agility adaptability and innovativeness This book encourages HR managers who want to be pioneers of or support digital transformation to rethink their HR strategies It begins with a clear illustration of the difference between stability and agility in leadership and organization Building on this it then guides the reader through a broad range of relevant HR topics and how they compare to the new strategic orientation All major aspects of HR management are addressed including recruitment learning talent management remuneration performance management corporate training executive development and change management Providing a comprehensive practical differentiated and non dogmatic alternative to traditional approaches the book is a must read for all those who are concerned with sustainable HR management in the era of digitalization

Move the Message Josephine Bellacomo,2004 Many of us without the money to contract special media consultants or expensive public relations firms want to create change in the world but find communicating our vision difficult whether our audience is one individual small groups large audiences or the media Take action and empower others to act with this strategic approach Target your message to the appropriate power holders Design and pitch a compelling persuasive presentation with visual impact Field questions and comments to energize your audience to take action and move the message to others With confidence negotiate for progressive outcomes construct captivating soundbites to the media deflect personal attacks and take the message to the streets to get winning results In *Move the Message* communications consultant and activist Josephine Bellacomo delivers a step by step process complete with tips tactics strategies examples and exercises to ensure that your message is focused powerful and unstoppable Whether the difference you want is local or global this guide is essential for activists and concerned individuals working to create lasting change Whether the difference you want to make is local or global *Move the Message* is an essential guide for activists and concerned individuals in any cause and is sure to become a classic in the field

Terrorism on Trial Nicole Nguyen,2023-09-26 A landmark sociological examination of terrorism prosecution in United States courts Rather than functioning as a final arbiter of justice U S domestic courts are increasingly seen as counterterrorism tools that can incapacitate terrorists maintain national security operations domestically and produce certain narratives of conflict *Terrorism on Trial* examines the contemporary role that these courts play in the global war on

terror and their use as a weapon of war hunting criminalizing and punishing entire communities in the name of national security Nicole Nguyen advocates for a rethinking of popular understandings of political violence and its root causes encouraging readers to consider anti imperial abolitionist alternatives to the criminalization prosecution and incarceration of individuals marked as real or perceived terrorists She exposes how dominant academic discourses geographical imaginations and social processes have shaped terrorism prosecutions as well as how our fundamental misunderstanding of terrorism has led to punitive responses that do little to address the true sources of violence such as military interventions colonial occupations and tyrannical regimes Nguyen also explores how these criminal proceedings bear on the lives of defendants and families seeking to understand how legal processes unevenly criminalize and disempower communities of color A retheorization of terrorism as political violence Terrorism on Trial invites readers to carefully consider the role of power and politics in the making of armed resistance addressing the root causes of political violence with a goal of building toward a less violent and more liberatory world

An Introductory Guide to EC Competition Law and Practice Valentine Korah,1994

A Field Guide to Climate Anxiety Sarah Jaquette Ray,2020-04-21

Gen Z s first existential toolkit for combating eco guilt and burnout while advocating for climate justice A youth movement is reenergizing global environmental activism The climate generation late millennials and iGen or Generation Z is demanding that policy makers and government leaders take immediate action to address the dire outcomes predicted by climate science Those inheriting our planet s environmental problems expect to encounter challenges but they may not have the skills to grapple with the feelings of powerlessness and despair that may arise when they confront this seemingly intractable situation Drawing on a decade of experience leading and teaching in college environmental studies programs Sarah Jaquette Ray has created an existential tool kit for the climate generation Combining insights from psychology sociology social movements mindfulness and the environmental humanities Ray explains why and how we need to let go of eco guilt resist burnout and cultivate resilience while advocating for climate justice *A Field Guide to Climate Anxiety* is the essential guidebook for the climate generation and perhaps the rest of us as we confront the greatest environmental threat of our time

[The Oxford Handbook of Justice in the Workplace](#) Russell Cropanzano, Maureen L. Ambrose,2015-06-18

Justice is everyone s concern It plays a critical role in organizational success and promotes the quality of employees working lives For these reasons understanding the nature of justice has become a prominent goal among scholars of organizational behavior As research in organizational justice has proliferated a need has emerged for scholars to integrate literature across disciplines Offering the most thorough discussion of organizational justice currently available *The Oxford Handbook of Justice in the Workplace* provides a comprehensive review of empirical and conceptual research addressing this vital topic Reflecting this dynamic and expanding area of research chapters provide cutting edge reviews of selection performance management conflict resolution diversity management organizational climate and other topics integral for promoting organizational success Additionally the book

explores major conceptual issues such as interpersonal interaction emotion the structure of justice the motivation for fairness and cross cultural considerations in fairness perceptions The reader will find thorough discussions of legal issues philosophical concerns and human decision making all of which make this the standard reference book for both established scholars and emerging researchers
