Inked Armor Helena Hunting, 2014-05-13 In this follow up to Clipped Wings the emotional love story continues between Hayden and Tenley two young people who desperately want to love and be loved but are afraid to completely let go of their pasts In the wake of losing Tenley Page tattooist Hayden Stryker's tumultuous past is haunting him Plagued by nightmares about the murder of his parents Hayden reaches out again to Tenley Having run from the man she doesn't believe she deserves Tenley finally lays her guilt to rest Despite their intense physical attraction Hayden and Tenley struggle to repair their fragile emotional connection As Hayden gets closer to the truth he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor and found her way into his heart **Cupcakes and Ink**

Helena Hunting, 2014-02-03 The prequel to Clipped Wings twisted dark incredibly erotic a love story like no other USA TODAY bestselling author Alice Clayton this emotional tale follows Hayden and Tenley as they struggle to let go of their pasts and maintain an emotionally safe distance from each other Tenley Page is looking for a new start a new city a new apartment a new life Her plan is to keep to herself and stay focused But leaving her past behind and starting over isn't as easy as she thought And neither is maintaining her solitude As Tenley settles into her new surroundings she finds herself drawn to Inked Armor the tattoo studio across the street But it's the gorgeous dark haired tattoo artist who captures her interest There's something about his severe beauty that captivates her and not just in her waking hours Covered in the ink he inscribes on other people's skin Hayden Stryker has made a career out of being a tattooist He's got his own business and a tight circle of friends As far as he's concerned that's all he needs At least until his aunt who owns the antiques and used book store across from his tattoo studio hires a new employee At first his intrigue is based on physical appeal hot chick equals something nice to look at But as he begins to catch glimpses of the fiery personality under the fragile feminine exterior his fascination with Tenley grows Annoyed by his inability to control his fixation Hayden decides the best way to cure him of the new obsession is to get to know the girl under her skittish facade But like the ink he wears as armor Tenley has the ability to get under his skin and stay there Clipped Wings

Helena Hunting, 2014-03-04 An emotional love story that follows the touch and go relationship of Hayden and Tenley two young people who desperately want to love and be loved but are afraid to completely let go of their pasts Their body art is hot Their chemistry is even hotter From her dark hair sweeping below her waist to her soft sexy curves Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has especially when she asks him to ink a gorgeous intricate design on her back Yet for all her beauty there is something darkly tragic and damaged about Tenley that Hayden is everything Covered in ink and steel Hayden is everything Tenley has never dared to want awakening a desire to explore more than the art adorning his stunning body Trapped by a past that leaves her screaming from nightmares Tenley sees Hayden as the perfect escape Although he has secrets too if they both keep themselves guarded perhaps their intense physical connection will remain only that But nothing not even passion can keep them safe from their pasts Inked

Armour Helena Hunting, 2014 Tenley has gone And in the wake of her leaving Hayden s carefully ordered world threatens to spiral out of control Balanced on the brink of self destruction he realises he needs to face the truth about his past if he has any hope of a future Back in her hometown Tenley lays her ghosts to rest And despite her grief her feelings for Hayden remain as intense and all consuming as ever Desperate to repair the damage she has done to their relationship she returns to Chicago and the man she loves But there are still so many obstacles in their path Will their love conquer all Or will it tear them apart
