*Inleiding tot de studie van het Oude Testament* Willem André Maria Beuken, Wim Beuken, A. S. van der Woude, 1986

**The Land of Israel in Bible, History, and Theology** J.T.A.G.M. van Ruiten, Cor de Vos, 2009-05-06 This book deals with many aspects of the land of Israel In the first part the emphasis is on descriptions of the land in Joshua and other books of the Hebrew and Greek Bible In the second part the focus shifts to the land in history and theology reception history of biblical texts dealing with the land archaeology of Palestine and theological hermeneutical implications of taking the land traditions of the Bible seriously The result is a rich collection of articles on one of the main themes of the Old Testament a theme that has a fascinating although not always unproblematic reception history

**Studies in Deuteronomy** F. García Martínez, A. Hilhorst, J.T.A.G.M. van Ruiten, A.S. van der Woude, 2014-09-03 Studies in Deuteronomy was compiled as a respectful tribute to Professor C J Labuschagne and was presented to him on the occasion of his 65th birthday The choice of the book of Deuteronomy as a fitting topic for a collection of commemorative essays reflects the focus of Professor Labuschagne's own research on this part of the Bible in recent years The essays which employ a variety of methodological approaches to the study of Deuteronomy deal with such subjects as Masoretic Septuagintal and Qumran variations in the text of Deuteronomy Deuteronomistic elements in other biblical books and the reception history of Deuteronomy in the Jewish and Christian worlds Included also is a first edition of some Deuteronomy manuscripts from Qumran Masada and Nahal Hever

**The Deuteronomist's History** Hans Ausloos, 2015-10-14 In The Deuteronomist's History Hans Ausloos provides for the first time a detailed status quaestionis concerning the relationship between the books Genesis Numbers and the so called Deuteronomistic literature After a presentation of the origins of the 18th and 19th century hypothesis of a Deuteronomistic redaction specific attention is paid to the argumentation used during the last century Particular interest also is paid to the concept of the proto Deuteronomist and the mostly tentative approaches of the Deuteronomistic redaction of the Pentateuch during the last decades The book concludes with a critical review and preview of the Deuteronomistic problem Each phase in the Deuteronomist's history is illustrated on the basis of the epilogue of the Book of the Covenant Exod 23 20 33

**Solomon's Prayer** Eep Talstra, 1993 Peeters 1993

**Bible and Canon** Luc Zaman, 2008-05-31 Several decades ago canonical criticism came to dominate the study of the canon and even indeed all of biblical studies by its emphasis on the biblical canon's dogmatic content An investigation of this canonical criticism brings its weak points to light most notably the insufficient attention that is given to the canon's historical development This new historical study begins with the earliest stages of the process of forming the canon rather than its final stages as most studies do It shows how the canon in essence was already formed in the early stages of its historical development It is essentially synchronically an authoritative unification of a range of traditions within the faith community and diachronically the guide that draws the dynamics of these traditions beyond their discontinuities to produce a continuity

**The Prophetic Call to Love and Justice** Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives
