Inmates Forced Feminized In Prison:

Trans Jack Halberstam, 2018-01-24 This title is part of American Studies Now and available as an e book first Visit ucpress.edu/go/americanstudiesnow to learn more In the last decade public discussions of transgender issues have increased exponentially However with this increased visibility has come not just power but regulation both in favor of and against trans people What was once regarded as an unusual or even unfortunate disorder has become an accepted articulation of gendered embodiment as well as a new site for political activism and political recognition What happened in the last few decades to prompt such an extensive rethinking of our understanding of gendered embodiment How did a stigmatized identity become so central to U S and European articulations of self And how have people responded to the new definitions and understanding of sex and the gendered body In *Trans* Jack Halberstam explores these recent shifts in the meaning of the gendered body and representation and explores the possibilities of a nongendered gender optional or gender queer future

Policing Black Bodies Angela J. Hattery, Earl Smith, 2021-03-01 An essential work that advances an acute awareness of our responsibility to make society equitable for all Library Journal Starred Review In this provocative book the authors connect the regulation of African American people in many settings into a powerful narrative Completely updated throughout the book now includes a new chapter on policing black athletes bodies and expanded coverage of the Black Lives Matter movement policing trans bodies and policing Black women s bodies *Rape Cultures and Survivors* Tuba Inal, Merril D. Smith, 2018-07-11 An in depth treatment in two volumes of the historical and cultural contexts of rape and rape culture this set discusses both victims and perpetrators internationally during war and peace times and examines the treatment of survivors Historically women men and children have all suffered sexual violence during wartime and peacetime as well as inside and outside their homes This two volume title focuses on survivors of rape in a variety of social and cultural contexts It examines different people who are victimized in a variety of situations including in war and prisons and studies the particularities of rape cultures that are intertwined with ethnic cultures and hatreds and other forms of conflictual social political and economic relations In the introduction the editors define rape and rape culture and provide historical and cultural context for the information presented throughout the volumes the first of which primarily focuses on the causes and manifestations of rape cultures the second considers the consequences of rape cultures for survivors of sexual assault In both volumes contributors provide case studies elucidating the experiences of a variety of victims young old male female straight and LGBT in diverse locations around the world to help readers understand how truly pervasive and portentous rape culture is *Transgender People Involved with Carceral Systems* Matthew Maycock, Saoirse O'Shea, Valerie Jenness, 2024-12-11 Bringing together cutting edge and diverse research from international and interdisciplinary perspectives this book initiates and shapes conversations about transgender people within the criminal justice system Ambitious and timely the book collates research to provide detailed research based insights into the involvement of transgender people in different types of criminal

justice systems and in different parts of the world With a focus on all parts of the system chapters explore interactions with various criminal justice services with a principal focus on carceral systems In doing so a wide variety of topics are discussed including access to medical care and vulnerability to harassment and physical violence as well as the uses and abuses of state power These are examined using a plethora of methods and through the different perspectives provided by the authors including academics activists and practitioners Collating international research and enabling comparisons with and between different criminal justice systems *Transgender People Involved with Carceral Systems* will be of value to academics practitioners human rights defenders and policy makers working across a wide range of disciplines and criminal justice contexts including criminology sociology law social policy zemiology queer theory and transgender studies [Serving the Stigmatized](#) Wesley T. Church II, David W. Springer, 2018-06-26 America's incarceration rate was roughly constant from 1925 to 1973 with an average of 110 people behind bars for every 100 000 residents By 2013 however the rate of incarceration in state and federal prisons had increased sevenfold to 716 Compared with 102 for Canada 132 for England and Wales 85 for France and a paltry 48 in Japan the United States is the world's most aggressive jailer When one factors in those on parole or probation the American correctional system is in control of more than 7.3 million Americans or one in every 31 U.S. adults This means that 6.7 million adult men and women about 3.1 percent of the total U.S. adult population are now very non-voluntary members of America's correctional community Some key questions that need to be addressed are What are we doing with those 7.3 million Americans How are they being treated while they are incarcerated How can we best prepare them to return to their communities More than 650 000 offenders are released back into our communities every year however 70% are rearrested within three years of their release *Serving the Stigmatized* is the first book of its kind that explores best practices when dealing with a specific prison population while under some form of institutional control If the established goal of a correctional facility is to rehabilitate then it is imperative that the rehabilitation is effective and does not simply serve as a political buzz word The timing of releasing this book coincides with a real movement in the United States supported by both conservative and liberal advocates and foundations to decrease the size of the prison population by returning more offenders to their communities The text examines 14 specific populations and how to effectively treat them in order to better serve them and our communities [Inside This Place, Not of It](#) Ayelet Waldman, Robin Levi, 2017-07-25 Essential reading on some of the most egregious human rights violations within women's prisons in the United States Piper Kerman author of *Orange is the New Black* Here in their own words thirteen women recount their lives leading up to incarceration and their harrowing struggle for survival once inside Among the narrators Theresa who spent years believing her health and life were in danger being aggressively treated with a variety of medications for a disease she never had Only on her release did she discover that an incompetent prison medical bureaucracy had misdiagnosed her with HIV Anna who repeatedly warned apathetic prison guards about a suicidal cellmate When the woman killed herself the guards punished

Anna in an attempt to silence her and hide their own negligence Teri who was sentenced to up to fifty years for aiding and abetting a robbery when she was only seventeen A prison guard raped Teri who was still a teenager and the assaults continued for years with the complicity of other staff

Fallgirls Ryan Ashley Caldwell, 2016-04-15 Fallgirls provides an analysis of the abuses that took place at Abu Ghraib in terms of social theory gender and power based on first hand participant observations of the courts martials of Lynndie England and Sabrina Harman This book examines the trials themselves including interactions with soldiers and defense teams documents pertaining to the courts martials US government reports and photographs from Abu Ghraib in order to challenge the view that the abuses were carried out at the hands of a few rogue soldiers With a keen focus on gender and sexuality as prominent aspects of the abuses themselves as well as the ways in which they were portrayed and tried Fallgirls engages with modern feminist thought and contemporary social theory in order to analyse the manner in which the abuses were framed whilst also exploring the various lived realities of Abu Ghraib by both prisoners and soldiers alike Providing a unique perspective and a thorough theoretical examination of the events their framing and depiction this book will be of interest to sociologists feminists and social and political theorists concerned with cultural studies political communication and gender and sexuality

Atmospheres of Violence Eric A. Stanley, 2021-09-03 Advances in LGBTQ rights in the recent past marriage equality the repeal of Don't Ask Don't Tell and the expansion of hate crimes legislation have been accompanied by a rise in attacks against trans queer and or gender nonconforming people of color In Atmospheres of Violence theorist and organizer Eric A Stanley shows how this seeming contradiction reveals the central role of racialized and gendered violence in the United States Rather than suggesting that such violence is evidence of individual phobias Stanley shows how it is a structuring antagonism in our social world Drawing on an archive of suicide notes AIDS activist histories surveillance tapes and prison interviews they offer a theory of anti trans queer violence in which inclusion and recognition are forms of harm rather than remedies to it In calling for trans queer organizing and worldmaking beyond these forms Stanley points to abolitionist ways of life that might offer livable futures

Dictionary of Prisons and Punishment Yvonne Jewkes, Jamie Bennett, 2013-01-11 Contemporary prison practice faces many challenges is developing rapidly and is becoming increasingly professionalized influenced by the new National Offender

Liberty's Prisoners Jen Manion, 2015-10-29 Liberty's Prisoners examines how changing attitudes about work freedom property and family shaped the creation of the penitentiary system in the United States The first penitentiary was founded in Philadelphia in 1790 a period of great optimism and turmoil in the Revolution's wake Those who were previously dependents with no legal standing women enslaved people and indentured servants increasingly claimed their own right to life liberty and happiness A diverse cast of women and men including immigrants African Americans and the Irish and Anglo American poor struggled to make a living Vagrancy laws were used to crack down on those who visibly challenged longstanding social hierarchies while criminal convictions carried severe sentences for even the most trivial property crimes The penitentiary was designed to reestablish order both behind its walls and in society at large but the promise of reformatory incarceration failed from its earliest years Within this system women served a vital function and Liberty's Prisoners is the first book to bring to life the experience of African American immigrant and poor white women imprisoned in early America Always a minority of prisoners women provided domestic labor within the institution and served as model inmates more likely to submit to the authority of guards inspectors and reformers White men the primary targets of reformatory incarceration challenged authorities at every turn while African American men were increasingly segregated and denied access to reform Liberty's Prisoners chronicles how the penitentiary though initially designed as an alternative to corporal punishment for the most egregious of offenders quickly became a repository for those who attempted to lay claim to the new nation's promise of liberty

Genocide and Gender in the Twentieth Century Amy E. Randall, 2021-12-16 Focusing on events in Rwanda Armenia and the former Yugoslavia as well as the Holocaust Genocide and Gender in the Twentieth Century investigates how historically and culturally specific ideas led to genocidal sexual violence Expert contributors also consider how these ideas in conjunction with issues relating to femininity masculinity and understandings of gendered identities contributed to perpetrators tools and strategies for ethnic cleansing and genocide The 2nd edition features Five brand new chapters which explore imperialism race gender and genocide the

Cambodian genocide memory and intergenerational transmission of Holocaust trauma and genocide gender and memory in the Armenian case An extended and enhanced introduction which makes use of recent scholarship on gender and violence Historiographical and bibliographical updates throughout Key primary document excerpt from the 1948 UN Convention on the Prevention and Punishment of Genocide Updated and revised in its second edition Genocide and Gender in the Twentieth Century is the authoritative study on the complex gender dimensions of ethnic cleansing and genocide in the 20th century

The Tragedy of True Crime John J. Lennon, 2025-09-23 In 2001 John J Lennon killed a man on a Brooklyn Street Now he is a journalist working from behind bars trying to make sense of it all *The Tragedy of True Crime* is a first person journalistic account of the lives of four men who have killed written by a man who has killed Lennon entered the New York prison system with a sentence of 28 years to life but after he stepped into a writing workshop at Attica Correctional Facility his whole life changed Reporting from the cell block and the prison yard Lennon challenges our obsession with true crime by telling the full life stories of men now serving time for the lives they took These men have completely different backgrounds Robert Chambers a preppy Manhattanite turned true crime celebrity Milton E Jones a seventeen year old coaxed from burglary into something far darker and Michael Shane Hale a gay man caught in a crime of passion and all are searching to find meaning and redemption behind bars Lennon's reporting is intertwined with his own story from a young man seduced by the infamous gangster culture of New York City to a celebrated prison journalist The same desire echoes throughout the lives of these four men to become more than murderers A first of its kind book of immersive prison journalism *The Tragedy of True Crime* poses fundamental questions about the stories we tell and who gets to tell them What essential truth do we lose when we don't consider all that comes before an act of unthinkable violence And what happens to the convicted after the cell gate locks
