## **Innocents On The Ice:**

*Innocents on the Ice* John C. Behrendt, 2013-12-01 Adventures in the Antarctic only happen when someone makes a mistake From the Preface In 1956 John C Behrendt had just earned his master s degree in geophysics and obtained a position as an assistant seismologist in the International Geophysical Year glaciological program He sailed from Davisville Rhode Island to spend eighteen months in Antarctica with the IGY expedition as part of a U S Navy supported scientific expedition to establish Ellsworth Station on the Filchner Ice Shelf *Innocents on the Ice* is a memoir based on Behrendt s handwritten journals looking back on his daily entries describing his life and activities on the most isolated of the seven U S Antarctic stations Nine civilians and thirty Navy men lived beneath the snow together and intense personal conflicts arose during the dark Antarctic winter of 1957 Little outside contact was available to ease the tension with no mail delivery and only occasional radio contact with families back home The author describes the emotional stress of the living situation along with details of his parties explorations of the Filchner Ronne Ice Shelf system during the summers of 1957 and 1958 Along the hazardous 1 300 mile traverse in two Sno Cats the field party measured ice thickness and snow accumulation as part of an international effort to determine the balance of the Antarctic ice sheet and made the first geological observations of the spectacular Dufek Massif in the then unexplored Pensacola Mountains Behrendt also draws upon his forty years of continual participation in Antarctic research to explain the changes in scientific activities and environmental awareness in Antarctica today Including photos maps and a glossary identifying various forms of ice *Innocents on the Ice* is a fascinating combination of the diary of a young graduate student and the reflections of the accomplished scientist he became

*Innocents on the Ice* John C. Behrendt, 2013-12-15 In 1956 John C Behrendt had just earned his master s degree in geophysics and obtained a position as an assistant seismologist in the International Geophysical Year glaciological program He sailed from Davisville Rhode Island to spend eighteen months in Antarctica with the IGY expedition as part of a U S Navy supported scientific expedition to establish Ellsworth Station on the Filchner Ice Shelf *Innocents on the Ice* is a memoir based on Behrendt s handwritten journals looking back on his daily entries describing his life and activities on the most isolated of the seven U S Antarctic stations Nine civilians and thirty Navy men lived beneath the snow together and intense personal conflicts arose during the dark Antarctic winter of 1957 Little outside contact was available to ease the tension with no mail delivery and only occasional radio contact with families back home The author describes the emotional stress of the living situation along with details of his parties explorations of the Filchner Ronne Ice Shelf system during the summers of 1957 and 1958 Along the hazardous 1 300 mile traverse in two Sno Cats the field party measured ice thickness and snow accumulation as part of an international effort to determine the balance of the Antarctic ice sheet and made the first geological observations of the spectacular Dufek Massif in the then unexplored Pensacola Mountains Behrendt also draws upon his forty years of continual participation in Antarctic research to explain the changes in scientific activities and environmental awareness in Antarctica

today Including photos maps and a glossary identifying various forms of ice Innocents on the Ice is a fascinating combination of the diary of a young graduate student and the reflections of the accomplished scientist he became **The Land Beneath the Ice** David J. Drewry,2023-01-24 As soon as humans spied and later set foot on the remote Antarctic continent in the early nineteenth century they became aware of its ice cover and desired to learn about its extent shape thickness and behavior In this book David Drewry glaciologist and former Director of the Scott Polar Research Institute recounts the science and history of a ground breaking time in recent Antarctic geophysical exploration in which scientists were finally able to see through the Antarctic ice sheet and take its measure From the mid 1960s to the mid 1980s scientists ability to peer beneath the Antarctic ice sheet and map its thickness was revolutionized by the technology techniques and exploratory campaigns of the Radio Echo Sounding Programme conducted by the Scott Polar Research Institute at Cambridge in the UK The exploratory radar mapping campaigns of this ambitious research program were largely accomplished during the Cold War as interest and concern in global climate change were just emerging To those involved in this research and fieldwork it was evident that the environment of the planet was indeed changing and that the great ice masses of Antarctica and Greenland and their evolving stability and behavior would feature significantly in understanding the future of our world This book gives an account of the Radio Echo Sounding Programme describing the scientific background goals various scientific human political and natural challenges and discoveries of the research program It follows the twists and turns of operating in a remote and hostile region where detailed and exact planning and preparations were constantly at risk of disruption by bad weather mechanical and electronic breakdowns aircraft crashes and human frailty It also highlights the strong international cooperation that occurred in Antarctica during this contentious time in history speaking to the importance of the 1961 Antarctic Treaty as well as the necessity of working together to tackle problems of global significance Footsteps on the Ice Stuart D. Paine,2007-06-18 In 1933 Antarctica was essentially unexplored Admiral Richard Byrd launched his Second Expedition to chart the southernmost continent primarily relying on the muscle power of dog teams and their drivers who skied or ran beside the loaded sledges as they traveled The life threatening challenges of moving glaciers invisible crevasses and horrific storms compounded the difficulties of isolation darkness and the unimaginable cold that defined the men s lives Stuart Paine was a dog driver radio operator and navigator on the fifty six man expedition the bold and complex venture that is now famous for Byrd s dramatic rescue from Bolling Advance Weather Base located 115 miles inland Paine s diaries represent the only published contemporary account written by a member of the Second Expedition They reveal a behind the scenes look at the contentiousness surrounding the planned winter rescue of Byrd and offer unprecedented insights into the expedition s internal dynamics Equally riveting is Paine s breathtaking narrative of the fall and summer field operations as the field parties depended on their own resources in the face of interminable uncertainty and peril Undertaking the longest and most hazardous sledging journey of the expedition Paine guided the first American party from the edge of the Ross Sea

more than seven hundred miles up the Ross Ice Shelf and the massive Thorne Scott Glacier to approach the South Pole He and two other men skied more than fourteen hundred miles in eighty eight days to explore and map part of Antarctica for the first time Footsteps on the Ice reveals the daily struggles extreme personalities and the matter of fact bravery of early explorers who are now fading into history Detailing the men s frustrations annoyances and questioning of their leader Paine s entries provide rare insight into how Byrd conducted his expeditions Paine exposes the stresses of living under the snow in Little America during the four month long winter night trapped in dim crowded huts and black tunnels while the men uneasily mulled over their leader s isolation at Advance Base The fates of Paine s dogs which provided some of his most difficult and rewarding experiences are also described his relationship with Jack his lead dog is an entrancing story in itself Featuring previously unpublished photographs and illustrations Footsteps on the Ice documents the period in Antarctic exploration that bridged the heroic era and the modern age of mechanized travel Depicting almost incomprehensible mental and physical duress and unhesitating courage Paine s tale is one of the most compelling stories in polar history surpassing other accounts with its immediacy and adventure as it captures the majesty and mystery of the untouched Antarctic

**Slang and Its Analogues Past and Present: Ice to Hyps** John Stephen Farmer,1896      **Wind, Fire, and Ice** Robert M. Bunes,2021-10-01 Between 1955 and 1987 the United States Coast Guard Cutter Glacier was the largest and most powerful icebreaker in the free world Consequently it was often given the most difficult and dangerous Antarctic missions This is the dramatic first person account of its most legendary voyage In 1970 the author was the Chief Medical Officer on the Glacier when it became trapped deep in the Weddell Sea pressured by 100 miles of wind blown icepack Glacier was beset within seventy miles of where Sir Ernest Shackleton s ship the Endurance was imprisoned in 1915 His stout wooden ship succumbed to the crushing pressure of the infamous Weddell Sea pack ice and sank leading to an unbelievable two year saga of hardship heroism and survival The sailors aboard the Glacier feared they would suffer Shackleton s fate or one even worse Freakishly good luck eventually saved the Glacier from destruction in the crushing ice pack only to experience a three hour fire that nearly killed one of the crew followed by eighty foot waves that came close to capsizing the ship Wind Fire and Ice is a story about a physician who starts out with a set of false assumptions namely that he is going have an easy assignment and see numerous exotic ports but then slowly comes to realize a much different hard reality      *Explorer* Lisle A. Rose,2008-03 Lisle A Rose offers a balanced view of polar explorer Richard E Byrd a vivid picture of a brilliant but flawed egoist Explorer is the definitive biography of the man and an armchair adventure of the highest order      Ice Karal Ann Marling,2008 From frozen wastelands to visionary explorers from frosty desserts to shimmering castles cultural historian Karal Ann Marling weaves together fantastic and fascinating topics related to hard cold water      **Antarctica as Cultural Critique** E. Glasberg,2012-10-29 Arguing that Antarctica is the most mediated place on earth and thus an ideal location for testing the limits of bio political management of population and place this book remaps national and postcolonial methods and offers a

new look on a forgotten continent now the focus of ecological concern      *Encyclopedia of the World's Biomes* ,2020-06-26  
Encyclopedia of the World's Biomes is a unique five volume reference that provides a global synthesis of biomes including the latest science All of the book's chapters follow a common thematic order that spans biodiversity importance principal anthropogenic stressors and trends changing climatic conditions and conservation strategies for maintaining biomes in an increasingly human dominated world This work is a one stop shop that gives users access to up to date informative articles that go deeper in content than any currently available publication Offers students and researchers a one stop shop for information currently only available in scattered or non technical sources Authored and edited by top scientists in the field Concisely written to guide the reader though the topic Includes meaningful illustrations and suggests further reading for those needing more specific information      **Innocent 4: Alicia (The League of Worldly Wise Innocents, #4)** L. A. Zoe,

Deep Freeze Dian Olson Belanger,2019-04-01 A comprehensive and lively book about the people and events that transformed Antarctica into an international laboratory for science Raimund E Goerler Chief Archivist Byrd Polar Research Center of The Ohio State University In Deep Freeze Dian Olson Belanger tells the story of the pioneers who built viable communities made vital scientific discoveries and established Antarctica as a continent dedicated to peace and the pursuit of science decades after the first explorers planted flags in the ice In the tense 1950s even as the world was locked in the Cold War U S scientists maintained by the Navy's Operation Deep Freeze came together in Antarctica with counterparts from eleven other countries to participate in the International Geophysical Year IGY On July 1 1957 they began systematic simultaneous scientific observations of the south polar ice and atmosphere Their collaborative success over eighteen months inspired the Antarctic Treaty of 1959 which formalized their peaceful pursuit of scientific knowledge Still building on the achievements of the individuals and distrustful nations thrown together by the IGY from mutually wary military scientific and political cultures science prospers today and peace endures Belanger draws from interviews diaries memoirs and official records to weave together the first thorough study of the dawn of Antarctica's scientific age Deep Freeze offers absorbing reading for those who have ventured onto Antarctic ice and those who dream of it as well as historians scientists and policy makers A highly informative and readable narrative account of perhaps the single most striking international scientific endeavor of the twentieth century The Polar Record Deep Freeze based on countless interviews and painstaking research is a timely and gripping account John C Behrendt author of Innocents on the Ice      **Ice Cold Liar** Cynthia Eden,2025-06-24 She is beautiful charming and guilty as sin Ebenezer Eb Jones is in the mood for deadly payback He knows that Naomi Romano killed his friend and former CIA partner The cops suspected her the DA wanted to charge her but the woman was far too smart for them She slipped away from justice Or so she thinks He's about to make certain that she pays for her crimes A life for a life He will absolutely wreck her life Promise made He's dangerous conniving and cold blooded to the core Lying is second nature to Eb Pretending to be someone else is as easy as breathing So he works to slip past Naomi's guard To learn

her secrets And he will learn those secrets Even if he has to seduce them all from her beautiful lying lips Does that make him cold blooded Guilty as charged It s a dirty job but someone has to do it Another enemy is stalking his prey Eb isn t the only predator who wants justice Naomi is being hunted and Eb has to step in and shield her from a series of deadly attacks Everywhere she turns Naomi faces danger He pretends to be the good guy the savior that she needs She breaks before him desperate for help and Eb realizes the woman is either one very fine actress or maybe she s not the killer he thought Now she believes he is a hero and doesn t know that he is someone she should fear Eb succeeded in his mission of getting close to Naomi Except now his careful control is unraveling He begins to want her To need her with a desire that is more savage and primitive than any he s ever felt before Two options Naomi is the best liar he has ever met in his life or Eb has made a fatal mistake He s betrayed a woman who might own his heart and if he s not careful a jealous enemy closing in on them may rip her from his world She also might wind up hating him forever once she learns just how deeply his betrayal runs Passion can be lethal And love It will make heroes turn into monsters Author s Note Time to solve another cold case with the Ice Breakers Except this case is far too personal for Ebenezer Jones And when things get personal rules will be broken Control will be lost And a man with an ice cold heart may find himself lying and falling for a woman who is not meant to be his A master of disguise Eb can pretend to be anyone anytime Getting the truth from Naomi should be easy Falling for her That should not be part of the plan Yeah his plan is about to explode

**Dawn of Mages Commencement** Cleave Bourbon,2025-03-11 Long before the first champions battled in the arena a forbidden love shattered the world When a god falls in love with a mortal woman with rare arcane magic their passion defies divine law But as their love bears unexpected fruit the Father of Gods himself intervenes with devastating consequences What follows is a war of divine fury that sinks entire kingdoms beneath the waves reshapes continents and forces the surviving gods to create a new order the Tournament of Mages For centuries the truth remained buried Seven kingdoms became six A god s name was erased from history But some secrets refuse to stay hidden Now as Oberian the first Tourney Master prepares to pass his sacred duty to his apprentice he reveals the cataclysmic events that birthed the tournament knowledge forbidden by the gods themselves Discover the tragedy that shaped a world the lies that preserved it and the tournament designed to prevent divine destruction from ever happening again The untold origin story of the Tournament of Mages series Continue the saga with Book One Red Mage Ascending

**The Chrysalis of Oc: Innocent and the Innocents** Peter V. Wright,2015-09-25 At the turn of the thirteenth century a tolerant wealthy and cultured society blossomed in what is now southwestern France Occitania was the domain of the Counts of Toulouse Its people valued poetry music and literature over warfare Their language Occitan was the lingua franca of the courts of Europe Their troubadours traveled widely and were popular sources of news and entertainment Tragically their success struck fear in the minds of the pope and kings so a brutal crusade was launched to destroy a people that sought only peace Seven hundred years later as the battles raged on the Normandy beaches a sleepy little town in the Limousin woke up

to what they expected to be like any other But this day they were to have unwelcome visitors the Waffen SS The Chrysalis of Oc is a sweeping historical tale that links thirteenth and twentieth century France and the bloody crusades that changed the course of the world forever **Life and Death in a Single Breath** RM Ullrich,2016-04-20 I have always loved writing but

it has taken a promise to my mother before she passed away and the encouragement of my wife and several of my friends to bring me to this point It is my hope that my poetry will be thought provoking encouraging to some and insightful to others Thank you for giving me this opportunity to share my life my heart my thoughts and my experiences RM Ullrich *The Ice Orphan* Kathleen O'Neal Gear,2022-11-22 This third book in a cli fi series from a nationally recognized anthropologist explores a frozen future where archaic species struggle to survive an apocalyptic ice age It s been 925 summers since the Jemen introduced zyme a bioluminescent algae into the world s ocean and unwittingly triggered an ice age that has consumed most of the planet All but a handful of Jemen flew to the stars but before they left they recreated several extinct species that had thrived in the last ice age After almost a thousand summers the archaic hominins that struggle along the edges of massive glaciers are dwindling All they have to save them is a dying quantum computer called Quancee and her student a Denisovan man named Lynx When the last Jemen Vice Admiral Jorgenson tells Lynx he s going to dismantle Quancee and use her parts to create a new computer Lynx is stunned But while Lynx battles to save Quancee the quantum computer has other priorities Before she dies she has to save a special boy who cannot save himself Meanwhile in the lodges of the Sealion People a sick boy on the verge of manhood hears voices including an old woman who sings to him When Jawbone goes on his first quest to find a spirit helper that same old woman finds him and his life will never be the same

*Exploring Polar Frontiers* William James Mills,2003-12-11 Covers the entire history of Arctic and Antarctic exploration from the voyage of Pytheas ca 325 B C to the present in one convenient comprehensive reference resource Exploring Polar Frontiers A Historical Encyclopedia is the only reference work that provides a comprehensive history of polar exploration from the ancient period through the present day The author is a noted polar scholar and offers dramatic accounts of all major explorers and their expeditions together with separate exploration histories for specific islands regions and uncharted waters He presents a wealth of fascinating information under a variety of subject entries including methods of transport myths achievements and record breaking activities By approaching polar exploration biographically geographically and topically Mills reveals a number of intriguing connections between the various explorers their patrons and times and the process of discovery in all areas of the polar regions Furthermore he provides the reader with a clear understanding of the intellectual climate as well as the dominant social economic and political forces surrounding each expedition Readers will learn why the journeys were undertaken not just where when and how **The Actor as Playwright in Early Modern Drama** Nora Johnson,2009-07-30 Nora Johnson s study of actors who wrote plays in early modern England uncovers important links between performance and authorship The book traces the careers of Robert Armin Nathan Field Anthony Munday and

Thomas Heywood actors who were powerfully interested in marketing themselves as authors and celebrities but Johnson contends that authorship as they constructed it had little to do with modern ideas of control and ownership Finally the book repositions Shakespeare in relation to actors considering Shakespeare s famous silence about his own work as one strategy among many available to writers for the stage The Actor as Playwright provides an alternative to the debate between traditional and materialist readers of early modern dramatic authorship arguing that both approaches are weakened by a reluctance to look outside the Shakespearean canon for evidence

**Ice Song** Kirsten Imani Kasai, 2009-05-19 Reminiscent of Ursula Le Guin s paradigm shattering *The Left Hand of Darkness* this piercingly moving story belongs in most fantasy collections Library Journal There are secrets beneath her skin Sorykah Minuit is a scholar an engineer and the sole woman aboard an ice drilling submarine in the frozen land of the Sigue What no one knows is that she is also a Trader one who can switch genders suddenly a rare corporeal deviance universally met with fascination and superstition and all too often punished by harassment or death Sorykah s infant twins Leander and Ayeda have inherited their mother s Trader genes When a wealthy reclusive madman known as the Collector abducts the babies to use in his dreadful experiments Sorykah and her male alter ego Soryk must cross icy wastes and a primeval forest to get them back Complicating the dangerous journey is the fact that Sorykah and Soryk do not share memories Each disorienting transformation is like awakening with a jolt from a deep and dreamless sleep The world through which the alternating lives of Sorykah and Soryk travel is both familiar and surreal Environmental degradation and genetic mutation run amok humans have been distorted into animals and animal bodies cloak a wild humanity But it is also a world of unexpected beauty and wonder where kindness and love endure amid the ruins Alluring intense and gorgeously rendered *Ice Song* is a remarkable debut by a fiercely original new writer Praise for *Ice Song* A stunning debut fantasy about love and the ties of blood Armchair Interviews Kasai s debut is a boldly adventurous tale depicting a richly detailed world The aspect of Traders shifting gender brings Ursula K LeGuin s *The Left Hand of Darkness* to mind while the activities on Chen s island are more reminiscent of Laurell K Hamilton s Meredith Gentry novels Booklist *Ice Song* is definitely a compelling read largely due to the fact that Sorykah is such a well developed character She has an equally intense and complex sense of love and resentment for her children And the fact that she exists between the world of humans and the mutants is also a source of conflict for her character *Ice Song* is a near perfect combination of fantasy great storytelling and social commentary Philadelphia Gay News

**Innocents On The Ice Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Innocents On The Ice free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Innocents On The Ice free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Innocents On The Ice free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Innocents On The Ice. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious

and verify the legality of the source before downloading Innocents On The Ice any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Innocents On The Ice Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Innocents On The Ice is one of the best book in our library for free trial. We provide copy of Innocents On The Ice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Innocents On The Ice. Where to download Innocents On The Ice online for free? Are you looking for Innocents On The Ice PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Innocents On The Ice. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Innocents On The Ice are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Innocents On The Ice. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Innocents On The Ice To get started

finding Innocents On The Ice, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Innocents On The Ice So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Innocents On The Ice. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Innocents On The Ice, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Innocents On The Ice is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Innocents On The Ice is universally compatible with any devices to read.
