Ibañez, 2015-11-06 The Four Horsemen of The Apocalypse Spanish Los cuatro jinetes del Apocalipsis is a novel by the Spanish author Vicente Blasco Ibanez first published in 1916 which tells a tangled tale of the French and German sons in law of an Argentinian land owner who find themselves fighting on opposite sides in the First World War A Frenchman named Marcelo Desonyers travels to Argentina in 1870 and he marries the elder daughter of Julio Madariaga the owner of a ranch

Eventually Marcelo his wife and his children Julio and Chichi move back to France and live in a mansion in Paris Julio turns out to be a spoiled lazy young man who avoids commitments and flirts with a married woman named Marguerite Laurier Meanwhile Madariaga s younger daughter has married a German man named Karl Hartrott and the Hartrotts move back to Germany The Desnoyers family and the Hartrott family are thus set against each other with the onset of World War I However Julio Desnoyers initially shows no interest in the war while Hartrott s family eagerly supports the German cause It is only after Julio s lover Marguerite lavishes attention upon her husband after the latter is wounded in battle that Julio is moved to participate in the war While young Julio Desnoyers serves as a soldier the aging Marcelo Desnoyers leaves the shelter and returns to his mansion where he watches the German soldiers advance and eventually plunder his belongings and eat his food At last the French soldiers push back the German soldiers and Marcelo chooses to defend a German man who had earlier spared Marcelo s life
