Old Panama and Castilla Del Oro Charles Loftus Grant Anderson, 1911

Obra reunida de Patricia Shaw: Literatura renacentista Patricia Shaw Fairman, 2000

The Singapore and Melaka Straits Peter Borschberg, 2010-01-01 The Singapore and Melaka Straits are a place where regional and long distance maritime trading networks converge linking Europe the Mediterranean eastern Africa the Arabian Peninsula and the Indian subcontinent with key centres of trade in Thailand Indochina insular Southeast Asia China Korea and Japan The first half of the 17th century brought heightened political commercial and diplomatic activity to this region It had long been clear to both the Portuguese and the Dutch that whoever controlled the waters off modern Singapore gained a firm grip on regional as well as long distance intra Asian trade By the early 1600s Portuguese power and prestige were waning and the arrival of the Dutch East India Company constituted a major threat Moreover the rapid expansion and growing power of the Acehnese Empire and rivalry between Johor and Aceh was creating a new context for European trade in Asia

Influencia del poder naval en la historia, 1660-1783 Alfred Thayer Mahan, 1901

Daily Life of Pirates David F. Marley, 2012-01-16 Drawing on new research this fascinating volume looks behind the myths to offer detailed insights into the real lives and activities of pirates for better or worse during the golden age of piracy in the Caribbean from the mid 17th century to 1720 Over the past decade

research in Spanish French and Dutch archives as well as in traditional English repositories has resulted in a clearer picture of the activities and lives of the pirates who roamed the seas during the Golden Age of Piracy from 1650 to 1720 That is the picture shared in Daily Life of Pirates The book describes how pirates actually lived touching on their food and drink their hideouts and their humor It also examines their ships weapons and seamanship their plunder and their use of torture The book s detailed coverage is made possible by newly uncovered interrogations of pirates and by official depositions given by their victims both of which provide insights that go well beyond simple recountings of famous exploits The result is a tantalizing true picture of pirates daily lives that reveals many surprising facts such as the reality that most of their time was spent upon land as actual piracy was a seasonal occupation

Los Oquendo, una estirpe de almirantes

Agustín R. Rodríguez González,2022-10-15 Es realmente excepcional en cualquier profesi ón que se mantenga una tradici ón familiar durante m s de tres siglos y que el nivel alcanzado siga siendo alto este es el caso de una dinast ía de marinos vascos y espa ñoles que durante varias generaciones y del siglo XVI al XVIII llegaron a almirantes de la Armada Don Miguel de Oquendo y Segura fundador de tal dinast ía no inici su andadura hist órica desde una situaci ón privilegiada que entonces determinaba el destino de cualquier persona sino desde la muy modesta condici ón de grumete y de calafate Operario de las reparaciones a bordo de los buques lleg al m s alto mando por m ritos propios combin ndolo con exitosas actividades empresariales que fueron desde el comercio ultramarino hasta al dise ño y la construcci ón de grandes buques de guerra y de comercio los galeones Lo que le report la m s alta consideraci ón desde el trono Su hijo D Antonio de Oquendo y Zand tegui super incluso a su padre en sus mandos navales con un valor y determinaci ón pocas veces igualado Casi todas ellas en condiciones de lucha dif íciles muchas de ellas impuestas por una direcci ón pol ítica poco acertada Ambos padre e hijo pagaron con sus vidas los errores que no eran suyos con total entrega marcando una decisiva diferencia con otros m s reconocidos y valorados por la historia Sus herederos y sucesores no tuvieron vidas tan gloriosas pero fueron igualmente de trayectorias destacadas desde las propias navegaciones a labores organizativas y de administraci ón aparte de las empresariales Los Oquendo una estirpe de almirantes pretende dar a conocer y llamar la atenci ón sobre una poca y unos personajes que no han tenido normalmente el reconocimiento y valoraci ón que merecen que es achaque com ún entre espa ñoles el desconocer o no valorar debidamente nuestra Historia los hechos y personajes de ella Y esto sorprendentemente en un pa ís en que sus mayores logros se dieron en la mar y por la mar Ya no me queda m s que morir pues he tra ído a puerto con reputaci ón la nave y el estandarte Antonio de Oquendo tras la batalla de Las Dunas 1639

El galeón San José y sus cuatro dueños

Ramiro Montoya,2018-08-17 Como aficionado a la historia de las riquezas trasladadas a Espa ña durante el r gimen colonial acerca de lo cual he publicado dos obras tengo un amplio archivo sobre el tema de los Galeones y conozco el camino para llegar a las actitudes y alegaciones de quienes a ambos lados del Atl ántico se creen due ños del San Jos Mi curiosidad me ha llevado a entrar en algunas estancias adicionales como la Carrera de Indias la vida a bordo del Gale ón la miner ía en los Andes bolivianos las

tecnologías de vanguardia para la exploración submarina los tratados internacionales y los pleitos y sentencias sobre esta propiedad. Acerca de esos temas y acerca el debate planteado por el hallazgo del Galeón San José anunciado el 5 de diciembre de 2015 he publicado este libro que procura una rigurosa transcripción de los puntos de vista de España y Colombia y abre espacios para otros actores del drama como la empresa S S A y los países que integraron el virreinato del Perú. Las fuentes utilizadas son secundarias principalmente las obras publicadas sobre el Galeón y la Carrera de Indias. El acceso a diarios, revistas y páginas Internet confieren a este relato un carácter periodístico enmarcado en la decisión de lograr una lectura que resulte amigable en la forma pero rigurosa con la verdad. Ante determinados prejuicios nacionalistas o actuaciones contrarias a la verdad en vez de fijar rumbos y dictar sentencias he preferido dejar preguntas y evitar críticas al comportamiento de los países que se creen dueños de este pecio sin pretender que sus actitudes y pretensiones sean distintas de lo que han sido. Así que con esta obra no se cierra ninguna historia sino que se cuenta lo que ha ocurrido y se describen prejuicios, intereses y factores políticos y económicos que auguran para el Galeón San José un futuro tan accidentado como accidentado ha sido su pasado.

El hundimiento. Desde diversos ángulos de la batalla se alcanza a ver un incendio sin estrépito que todos los testigos describen a pesar de que al principio no se pudo distinguir en qué bajel sucediese. Sólo los que combatían a su lado la urca y el Expedition percibieron la dimensión del desastre. Aquello duró el breve tiempo en que se pudiera rezar un credo con el clamor de mucha gente pero desvanecido con el aire, el humo no se vio la menor reliquia de naufragio. El San José se ha ido a pique en un santiamén. En cuanto a la hora a la que se perdió el San José varios testigos españoles e ingleses coinciden con la estimada por Wager. La discrepancia radica en qué fue lo que provocó su hundimiento de forma repentina. Vale la pena resaltar que sí hubo numerosos impactos de cañones del Expedition a la Capitana. Hubo fuego entre cubiertas y explotaron numerosas granadas. Pero como dijeron los testigos españoles en aquel momento la verdadera causa del súbito hundimiento de la Capitana no fue una gran explosión en el paño de la Santa Bárbara, cuarto de la pólvora sino el pésimo estado en el que estaba su estructura. Al realizarse la segunda andanada fue suficiente para que se acabara de abrir una enorme abertura en su casco y provocara ese hundimiento repentino del que todos hablan y que nadie se explica. Todo sucedió tan rápidamente que tres marineros recogidos por el Expedition confesaron al ser interrogados no saber más que haberse hallado de repente en el agua. Al día siguiente nueve naufragos flotaban aferrados a un muñón del palo de trinquete que era lo que quedaba de la Capitana. El Galeón San José no es un tesoro sino un yacimiento para proteger y un mal negocio. El Galeón San José no es un tesoro ni en sentido jurídico ni comercial ni científico. Es un yacimiento arqueológico que pertenece a la Humanidad. Colombia no tiene ninguna experiencia en la gestión de esta clase de yacimientos pero debe asumir la responsabilidad política de protegerlo de los buscatesoros de los elementos naturales que puedan afectarlo y del manejo inadecuado en las labores de extracción, restauración y conservación. El gobierno que promoviera la localización, rescate y restauración de este Galeón seguramente encontrará a que la opinión pública y la comunidad internacional impedirán la comercialización de los caudales que se saquen.

del agua y mirando las experiencias internacionales no recibir a aportes providenciales para su presupuesto sino la obligación de entrar en gastos de estudio restauración museológica y conservación por lo cual pudiera ser que mirado desde la perspectiva de los negocios el rescate del Galeón San José sea un mal negocio *Tomo (primero-) octavo de la obra del ...*
