*Love Beyond Horizons* K S Bhardwaj, 2016-02-05 This novel is based on women's sex psychology. Krishan devotee Noor falls in love with a Hindu. She throws all Muslim norms to winds. She forgoes even her name for love. But Shankar the husband does with her the same which majority of husbands do. How Sambhavana fights for existence brings up son and faces hardships such as revolutionaries come across is its central theme. Combating against lustful hawks hovering over single women she develops hatred against entire male community. When she meets Kshashank who holds women not as sex toys but as human beings her extinguished carnal desires are reignited. Firm resolved Sambhavana continues wooing Kshashank to give new lease to her deserted life. Feeling fully gratified she returns towards her deity saying 'You have filled my life with thrills I will never forget you for it. And yes I will never bother you anymore like this. But if you ever feel the need I am yours for ever without marriage which shocks Kshashank.' It automatically draws readers attention to the technique of salvation Sambhog Se Samadhi propounded by Osho. The novel delineately deals with existentialism which French philosophers Sartre and Simone de Beauvoir struggled for throughout their lives. Happy reading.

Beyond the Flesh Jenifer Presto,2008-11-07 Though the Russian Symbolist movement was dominated by a concern with transcending sex many of the writers associated with the movement exhibited an intense preoccupation with matters of the flesh Drawing on poetry plays short stories essays memoirs and letters as well as feminist and psychoanalytic theory Beyond the Flesh documents the often unexpected form that this obsession with gender and the body took in the life and art of two of the most important Russian Symbolists Jenifer Presto argues that the difficulties encountered in reading Alexander Blok and Zinaida Gippius within either a feminist or a traditional binary gendered framework derive not only from the peculiarities of

their creative personalities but also from the specific Russian cultural context Although these two poets engaged in gendered practices that at times appeared to be highly idiosyncratic and even incited gossip among their contemporaries they were not operating in a vacuum Instead they were responding to philosophical concepts that were central to Russian Symbolism and that would continue to shape modernism in Russia
