**A Grammar of Christian Faith** Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation

*Freedom: Discovering A More Fulfilled Life* Rebecca Tomb, 2013-08-12 It's not about religion it's about an actual loving and fulfilling relationship The problem with religion is that it never gets to the core it's just public behavior modification We make nice facades but deep down inside we're dying With a relationship it's not man seeking God it's God seeking man We're purified from the inside out through His grace and mercy It's about sacrifice It's about understanding It's about love Chasing Freedom will help you learn how to ground yourself in the truth and discover a more fulfilled life in Christ Through a heartbreaking testimony of how a young girl started thriving as a young Christian woman discussions on basic Christian living and answers to social issues you can rediscover the promise of new life and grasp onto hope **Love Someone**

**Today** Bo Sanchez, 2014-09-01 Love Someone Today is a seven lesson discipleship guide to help new disciples start their relationship with God It will also help you make disciples of Jesus by loving one person at a time Karl Barth's Theology of Relations, Volume 1 Gary Deddo, 2015-08-04 This work originally published as one volume in the Peter Lang series Issues in Systematic Theology is now available in two volumes In the first volume Gary Deddo shows how Barth grasped the nature of relations as intrinsic to the being and act of the Triune God and to God's relations to us and our relationship to God in Christ Deddo then completes his comprehensive survey showing how Barth saw the reality of the divine relationships analogically pertains by grace to humanity and its creaturely relationships Barth's doctrine of God Christology and theological anthropology are all intrinsically onto relational to borrow a term coined by Thomas F Torrance In the second volume Deddo shows how Barth's relational theology is intrinsically ethical As a case study Deddo explicates Barth's ethical teaching on the relationship between parents and children found in section 54 of his chapter on Freedom in Fellowship in CD III 4 He further demonstrates the relevance and fruitfulness of Barth's theology of relations for critically engaging other theological and non theological views of the family and for shedding ethical light on a wide range of contemporary issues facing families especially in the North American context Karl Barth is known for his insight into the inseparability of act and being in God What is less recognized is that Barth's theological understanding of dynamic covenantal relationship is also essential to his doctrine of the Triune God his Christology and theological anthropology God is revealed in Jesus Christ to be one in act being and relation Humanity is revealed in Jesus Christ to be essentially a unity of act being and relation The failure to see the ethical implications of Barth's theology can be traced in large part to the failure to grasp how Barth's understanding of God's being and act is also essentially relational Deddo's work corrects this oversight and opens up the door to better comprehension of Barth's trinitarian doctrine of God his Christology anthropology and ethics **Kierkegaard and the Staging of Desire** Carl S. Hughes, 2014-07-02 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose ignoring or condemning apophatic traditions and the spiritual eros that drives them For too long Kierkegaard has been read along these lines as a progenitor of twentieth century neo orthodoxy and a stern critic of the erotic in all its forms In contrast Hughes argues that Kierkegaard envisions faith fundamentally as a form of

infinite insatiable eros He depicts the essential purpose of Kierkegaard's writing as to elicit ever greater spiritual desire not to provide the satisfactions of doctrine or knowledge Hughes's argument revolves around close readings of provocative disparate and in many cases little known Kierkegaardian texts The thread connecting all of these texts is that they each conjure up some sort of performative stage setting which they invite readers to enter By analyzing the theological function of these texts the book sheds new light on the role of the aesthetic in Kierkegaard's authorship his surprising affinity for liturgy and sacrament and his overarching effort to conjoin eros for God with this worldly love One Hot Summer Wendi Hayman, 2016-11-16 One Hot Summer is the story of a young woman who was forced into prostitution at a young age after running away from her drug addicted parents Meet Summer a damaged and hurt 21 year old young woman filled with hatred and wrath for the adults who used and abused her and who felt that their satisfaction was more important than her well being She was betrayed by her parents as a child and is determined to get revenge on those who ruined her childhood by any means necessary On her journey to execute her plan of revenge she immediately has some strange encounters that would alter her plan of attack and ultimately affect her life and destiny Summer didn't expect for her hot temper and rage to meet up with a heart of compassion and love But in the end who will win rage or love **Ibn Taymiyya's Theological Ethics** Sophia Vasalou, 2016 This book investigates Ibn Taymiyya's approach to some of the core ethical and theological questions of the classical period of Islam and in doing so sheds new light on his intellectual identity *Love's Grateful Striving* M. Jamie Ferreira, 2001-06-07 Soren Kierkegaard's Works of Love 1847 a series of deliberations on the commandment to love one's neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard's most important works He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation **A Prophecy of Love** Dr. Thomas J. Millay,2020-07-16 Countless academic books have been written about how to interpret literary texts From reader response criticism to Marxist hermeneutics and beyond the scholarship on interpretive methods is vast Yet all these books fail to address a more fundamental question Why should we read in the first place Or to put it another way why is reading an important thing to do In order to answer these questions Thomas J Millay turns to the wisdom of Danish philosopher theologian Soren Kierkegaard In this the first book to be written on Kierkegaard s philosophy of reading Millay finds that reading does have a specific purpose it is supposed to change your life With lucid nontechnical prose Millay both establishes the definitive interpretation of Kierkegaard s philosophy of reading and explores the various concrete practices Kierkegaard recommended for its implementation     The Prudence of Love Eric J. Silverman,2010-01-01 The Prudence of Love focuses upon the intersection of philosophical theological and psychological issues related to love Eric Silverman defends an account of love derived from the views of Thomas Aquinas and argues that love provides numerous psychological and relational benefits that increase the lover s happiness Furthermore he argues that love is beneficial according to all major contemporary accounts of happiness     *The Lutheran* George Washington Sandt,1928     Caring for Your Soul Dr. Samuel White III,2017-11-28 Dr Whites definitive description of the soul and its appropriate care are probing challenging insightful engaging and caring I highly recommend that practicing Christians read this book It can help us to improve our lives in various ways Dr Tony Curtis Henderson Professor Ecumenical Theological Seminary Detroit Michigan I strongly recommend this timely engaging book This treatise is a harmony with both Hebrew and Greek biblical scholarship as well as African Edenic cultural principles and practices Rev Dr Steve Bland Jr Pastor Liberty Temple Baptist Church Moderator Michigan District Baptist Association 1st Vice President The Council of Baptist Pastors of

*Functional Living God's Way* W. E. Hunter, 2010-02-11 Lost - Liberated - Loved Claudia Mari  le Wulf, 2023 Christian ethics also called moral theology in the tradition is one of the most controversial topics within theology as well as outside it Yet the goal of these ethics is a life in fullness and freedom Without ethical guidelines and personal responsibility a life cannot succeed Norms and laws aim to create space for life and protect it To fill this freedom people are responsible for that And being responsible means owing an answer to someone Ethics therefore always takes place in relation to one's own conscience to the good that can be accomplished and in relation to other living beings and nature Christian ethics moreover places this responsibility in relation to God People are free but also limited they
