Parerga and Paralipomena in 1851 that Schopenhauer began to see the start of the recognition that eluded him for so long

Great Tradition in English Lit Vol 2 Annette T. Rubinstein, 1969 This is an illuminating interpretation of the life and work of twenty two major literary figures during three hundred years of English literature It reveals how they were rooted in the political and social movements of their own time with representative selections from their writings *A History of Long Island, Vol. 2* Peter Ross, 2017 With these books an effort has been made to present the history of the whole of Long Island in such a way as to combine all the salient facts of the long and interesting story in a manner that might be acceptable to the general reader and at the same time include much of that purely antiquarian lore which is to many the most delightful feature of local history Long Island has played a most important part in the history of the State of New York and through New York in the annals of the Nation It was one of the first places in the Colonies to give formal utterance to the doctrine that taxation without representation is unjust and should not be borne by men claiming to be free the doctrine that gradually went deep into the hearts and consciences of men and led to discussion opposition and war to the declaration of independence the achievement of liberty and the founding of a new nation It took an active part in all that glorious movement the most significant movement in modern history and though handicapped by the merciless occupation of the British troops after the disaster of August 1776 it continued to do what it could to help along the cause to which so many of its citizens had devoted their fortunes their lives This is volume two out of three covering the history of Kings County Brooklyn and Queens *The Expositor's Bible: The Psalms, Vol. 2* Alexander Maclaren, 2020-08-05 Reproduction of the original The Expositor's Bible The Psalms Vol 2 by Alexander Maclaren
