Javier Echevarria, 2017-03-31 How can a person live his faith seriously in our time Bishop Javier Echevarria takes up key questions of faith God's existence and the many ways people find their path to God While focusing on the most important aspects of faith life he also addresses the causes of the loneliness and isolation that afflict so many people today Particularly insightful are his reflections on suffering Bishop Echevarria was born in Madrid Spain in 1932 He worked closely with St Josemaria Escriv the founder of Opus Dei from 1953 until his death in 1975 Following the death of Bishop Alvaro del Portillo in 1994 he was elected Prelate of Opus Dei and in the following year ordained bishop by Pope John Paul II Bishop Echevarria has lived in Rome during the pontificates of six popes as well as during the Second Vatican Council This experience along with his many pastoral visits on six continents gives him a broad knowledge of the situation of present day believers and the challenges facing the Church throughout the world He is the author of eight books *No King but God*

Michael Manning, 2015-09-18 Can faith be an idol Can the state grant freedom What about wealth *No King but God* takes up the revolutionary cry found on the lips of Jesus and his contemporaries in the first century to argue that we need the same desire to see God as King in all areas of our lives From the marginal and prophetic perspective of the Isle of Man and informed by a decade of pioneering work among the homeless five contemporary idols are unmasked The church is given a provocative challenge to embody an alternative The response to the idols of faith freedom the state wealth and the individual is not right belief or special prayers but the humble path of walking as Jesus

has been known as catechesis systematic instruction in faith foundations including what we believe how we pray and worship and how we conduct our lives For most evangelicals today however this very idea is an alien concept Packer and Parrett concerned for the state of the church seek to inspire a much needed evangelical course correction This new book makes the case for a recovery of significant catechesis as a nonnegotiable practice of churches showing the practice to be complementary to and of no less value than Bible study expository preaching and other formational ministries and urging evangelical churches to find room for this biblical ministry for the sake of their spiritual health and vitality

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

The Life of Christian Doctrine Mike Higton, 2020-07-09 The lives of Christian churches are shaped by doctrinal theology That is they are shaped by practices in which ideas about God and God s ways with the world are developed discussed and deployed This book explores those practices and asks why they matter for communities seeking to follow Jesus Taking the example of the Church

of England this book highlights the embodied affective and located reality of all doctrinal practices and the biases and exclusions that mar them It argues that doctrinal theology can in principle help the church know God better even though doctrinal theologians do not know God better than their fellow believers It claims that it can help the church to hear in Scripture challenges to its life including to its doctrinal theology It suggests that doctrinal disagreement is inevitable but that a better quality of doctrinal disagreement is possible And finally it argues that by encouraging attention to voices that have previously been ignored doctrinal theology can foster the ongoing discovery of God's surprising work Christian Treasury, 1850
