Golf Talk Daniel Stewart Acuff, 2003 **Release** Bart Steib, 2005-08 We live in a self evident age where the issue of the day is whether life has any meaning RELEASE is about the works in our natures Are these works self evident or revealed to us Can you play the game of golf with a self evident nature known only to the senses or do you need a test to know you are truly playing Do you need to be free to pass the test RELEASE explores the passion in the game of golf which

drives the player forward It s a passion which will compel you to wonder whether you are really striking the ball at all Is the game of golf and life itself originating in your soul Are you passing the tests of life because you are free and therefore can see the abundance you need to drive out all excuses So much of life and golf is the abundance you need to drive out all excuses Is that possible My book says data can never be the absolute answer to striking the ball in the game of life There is another answer which eliminates all excuses and that answer is the meaning of RELEASE a meaning that will surely not leave you alone on your journey inside being Quotes Golf swing is so simple we can t do it Golf swing is a motion we try to perfect but can t feel There are no parts to the golf swing it s all one motion When the club is released there is no fear All quotes are attributed to Mike Wynn PGA Pro
