Gone Without A Trace A Novel Logan Point:

Gone without a Trace (Logan Point Book #3) Patricia Bradley, 2015-06-30 It's been more than two years since homicide detective Livy Reynolds's cousin disappeared from Logan Point. Unlike most people in her hometown, Livy has never believed that Robyn left voluntarily. When Dallas private investigator Alex Jennings contacts Livy concerning a missing senator's daughter who was last seen in Logan Point, she notices eerie similarities between the two disappearances. But with self-doubt plaguing her and an almost instant dislike of Jennings, Livy is finding this investigation an uphill battle. With her future in law enforcement on the line, can she find a way to work with a man who is her polar opposite? Award-winning author Patricia Bradley keeps readers on the edge of their seats as they anticipate the outcome of the case and the relationship between Livy and Alex, which is anything but certain.

Silence in the Dark (Logan Point Book #4) Patricia Bradley, 2016-04-12 Two years ago Bailey Adams broke off her engagement to Danny Maxwell and fled Logan Point for the mission field in Chihuahua, Mexico. Now she's about to return home to the States, but there's just one problem. After Bailey meets with the uncle of one of the mission children in the city, she barely escapes a sudden danger. Now she's on the run; she just doesn't know from whom. To make matters worse, people who help her along the way find themselves in danger too, including Danny. Who is after her? Will they ever let up? And in the midst of the chaos, can Bailey keep herself from falling in love with her rescuer all over again? With lean, fast-paced prose that keeps readers turning the pages, Patricia Bradley pens a superb story of suspense and second chances.

On the Edge of Trust Patricia Bradley, 2025-11-04 Sometimes the closer you get to justice, the deadlier it becomes. When decorated FBI undercover agent Scott Sinclair suffers a gunshot wound in his right arm, the injury threatens his future career in the field. He is determined to regain his former job by training himself to use his left hand, and failure is not an option, especially when he's unofficially pulled into an investigation. Tori Mitchell is a passionate crime reporter and podcaster who has dedicated her life to seeking justice. Her relentless pursuit of the truth has freed a wrongfully convicted man from prison, making Tori an enemy of the true killer. When her nephew is accused of a different murder, nothing can stop her from getting involved and clearing his name. Soon after Tori and Scott reconnect on the case, shots are fired, leaving them to wonder which of them has been targeted. As the investigation intensifies, so do the threats and the sparks between them, but Tori is doubtful if she can extend grace and trust to Scott. They'll have to combine their skills and rely on their growing relationship to outsmart the killer. Perfect for fans of Lynette Eason, Lynn H. Blackburn, Elizabeth Goddard, and readers who love faith-based fiction and edge-of-your-seat thrillers, this riveting clean romantic suspense delivers heart-pounding danger and forced proximity romance.
