Repairing the March of Mars The Civil War Diaries of John Samuel Apperson Hospital Steward in the Stonewall Brigade 1861-1865 editor John Herbert Roper provides an important supplement to this largely ignored aspect of the Civil War Apperson's diary is a sensitive and painstaking observation of the details of medical treatment during and after battle For all periods of the war his detailed personal records supplement and correct official army hospital records and for certain periods his diary provides the only medical information available For example Apperson was present at the amputation of Stonewall Jackson's arm and his diary shows that Jackson died of postoperative pneumonia and not of a botched surgery BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Lyndon B.
