out enough coal to have coked the world at one stroke The valley was majestically ransacked and the coal owners became very rich men Cruelly little of this money stuck to the fi ngers of the people who mined the coal Yet these people laughed sang worshipped and propagated at record levels and were far more precious than the coal they hauled out of the ground In NO TIME TO DREAM the author richly evokes those times in technicolour and brings to life those characters who fi ll the pages The story also tells of emigration of some of these characters to Australia where they faced with bravery the vicissitudes of the new environment In real life Rita and her husband Arthur paralleled the story of this novel emigrating to Australia in 1964 initially to Canberra and then to Sydney It was this experience that allowed Rita to complete the second half of her book NO TIME TO DREAM is a rich evocation of the human spirit and a unique description of love kindliness and courage surrounded and deepened by the dangers of the times Read it **What Would I Give?** Sue Carroll,2007-12-01 This book is an eclectic mixture of poems including haiku cinquains and sonnets as well as more traditional styles of poetry What is in my mind goes onto the page Many of the poems are drawn from experience some mine some other peoples The remainder are the product of an over active imagination *The Puppy and the Orphan* Suzanne Lambert,2017-11-16 A heart warming new story from the bestselling author of Christmas at the Ragdoll Orphanage Christmas 1953 When little Billy discovers a lost puppy in the grounds of his orphanage home he knows that the nuns will never allow him to keep a pet But as Billy stares into the adorable Labrador s big brown eyes he knows in his heart that he can t bear to be parted from his new friend So he comes up with a plan With the help of his fellow orphans Billy hides the puppy in the caretaker s cottage Together the children swear not to reveal the secret to the grown ups Yet as Billy and the puppy s special bond develops his dread of discovery and being separated from his beloved dog grows The Puppy and the Orphan tells the story of many lost souls who have found refuge at the orphanage and how love helps each of them to fight for a second chance of somewhere to call home Charold: the Heart-history of a Poet's Youth Ernest Playne,1876 **Good Housekeeping** ,1894 **Letters From Jesus** Regina Marie Blaylock,2024-07-30 During a time of great pain Regina and her children were separated from one another due to the loss of their home Enduring chastisement and the judgement of others and trying to protect her children from the repercussions of false perceptions No one was on her side God was the only one there to help during the storm Family and friends turned their backs on her God gave her the pen and a voice He helped her through the confusion He wanted her to ask questions to help her see the truths Quietly she penned these poems and God guided her out of the fire into the light Today she is united with her children She has her own home and the future looks bright drawing writing and listening to God s guidance Regina wants others to know God can bring you to peace and calm in your life He can walk you out of the storm to higher heights and understanding **Jesus in the Bedroom** Andrea Barberi,2018-08-31 This book is about the Christs wife Jezibellie Tutankhemen Christ along with Jesus Christ superstar I do know this is true Jezibellie Christ Its supposed to be about the coming of ages and the trials and tribulations of Pauls demise from spirituality This book

contains graphic humor and Pauls demise from the literature that boasts that he in fact wrote the Bible when in essence here the Divine Source Wisdom boasts that We are the ones who wrote it through Jezibellie Christ Superstar is about the coming of ages the meaning of our lifetime of habits here and lets take it down south and note that Jesus did indeed have a viable sexual encounter We have all the ailment cures in the world For the rest of His life though were all in on this together here Hes viable to have a sexual encounter with his wifey of times past and to note this individual freely on sexual content is viable within the confines of the tomorrows affair of the heart *The Prophecy of Merlin and Other Poems* John Reade,1870
