Gorgeously Green 8 Simple Steps To An Earth Friendly Life:

The Gorgeously Green Diet Sophie Uliano, 2009-04-16 From the New York Times bestselling author a 30 day plan to a leaner body In the follow up book to her bestselling Gorgeously Green Sophie Uliano reveals the secrets to getting slim while being good to the planet It turns out that eating local organic foods doesn't have to be expensive and a healthy meal can be made in 30 minutes or less all while shedding pounds In her relatable girlfriend to girlfriend tone Uliano pledges that anyone can go green and lean no matter where they live or what resources they have Uliano recognizes that dieting and going green are big lifestyle changes and makes it easy for readers to commit to both by allowing them to personalize their plans according to their needs The book has three diet plans light green bright green and deep green that depend on how much time travel and money readers want to commit to going green The three plans promise the same amount of weight loss but the darker green the plan is the greater the commitment the reader makes to reducing waste going organic and staying carbon neutral Each diet plan emphasizes natural seasonal whole foods that are not only better for the planet but better for the body Uliano explains how over processed over produced foods contain fewer nutrients are harder to digest and are more likely to be stored as fat With 4 week eating plans for each shade of green she shows readers how to wean themselves off of processed manufactured foods and onto fresh vegetables and meat The book recommends products brands and websites and has over 100 recipes every tool readers need to get lean while going green

Gorgeously Green Sophie Uliano, 2008-07-08 Are you confused by all the advice you hear and see daily on how to go green Do you want to incorporate earth friendly practices into your life but you don't know where to start Don't stress Green guru Sophie Uliano has sorted through all the eco info out there and put everything you need to know about living a green lifestyle right at your fingertips In Gorgeously Green Sophie offers a simple eight step program that is an easy and fun way to begin living an earth friendly life Each chapter covers topics from beauty to fitness shopping to your kitchen even your transportation Whether it's finding the right lipstick making dinner buying gifts or picking out a hot new outfit finally there is a book that tackles your daily eco challenges with a take charge plan Just consider Sophie your go to girl with all the eco solutions Find out how to Green your entire beauty regime Detoxify your home Indulge in guilt free shopping Adopt a home fitness routine Prepare eco licious treats Give your kitchen a green makeover Become more aware of your impact on the earth The book's dozens and dozens of eco friendly tips products and practices combine to form a treasure trove of practical advice for every possible way to become stylishly green Your questions about dressing makeup eating shopping cleaning travel and more are all answered right here Adopting a green lifestyle is among the most positive forward thinking and personally fulfilling choices that anyone can make and Gorgeously Green shows that it doesn't have to be tedious time consuming or glamourless

AwareKnits Vickie Howell, Adrienne Armstrong, 2009 The fiber world is all abuzz about sustainable yarns and alternative materials and AwareKnits jumps on this trend with a socially conscious approach to knitting and crochet Knitting superstar Vicikie Howell

and activist knitter Adrienne Armstrong present a groundbreaking volume that's part pattern book and part crafty call to action. They offer 31 stylish projects that use a variety of green yarns including ones from soy, corn, and hemp. **The New Rules of Green Marketing** Jacquelyn Ottman, 2017-10-19. For too long marketers of sustainable goods and services have targeted deep green consumers to promote their products and they have little to show for their efforts. In this innovative book, Jacquelyn Ottman shows how the green market has moved beyond such niche marketing and how marketers will find greater success promoting the inherent superior value of their offerings. Greener products are now available within every industry and are a part of our everyday lives. But they didn't get to be so ubiquitous just because they are better for the planet. Whether they were promoted as such or not, sales of green products have grown so fast because of the added value they provide: health, superior performance, good taste, cost effectiveness, or simply convenience. This central emphasis on primary benefits is critical to winning over the mainstream consumer and to driving overall organizational growth. **The New Rules of Green Marketing** helps readers understand why value-based sustainability marketing has become a critical organizational capacity and how readers can adopt this approach in their own organizations. Illustrated by examples from both international mainstream and the more niche deep green leaders who are showing everyone else the way, the book provides practical strategies, tools, and inspiration for building every aspect of a credible value-based green marketing strategy, including:

- How to use a proactive approach to sustainability to spur innovation.
- How to frame environment-related benefits with relevance to mainstream brands.
- How to communicate with credibility and impact and avoid greenwashing.
- How to team up with stakeholders to maximize outreach to consumers.
- How to use a life cycle orientation to ensure the integrity of one's offerings.
- How to best take advantage of recent technological advances in social media.

Drawing on the latest data from leading researchers and reflecting on learnings from Ottman's corporate clients and other pioneers including GE, Nike, HSBC, Method, Starbucks, Timberland, HP NatureWorks, Philips, Procter & Gamble, Stonyfield Farm, and Wal-Mart, this book shows how market leaders are edging out the competition using effective value-first marketing strategies. This book captures the best of the author's previous groundbreaking books on green marketing and takes the content into the 21st century. Whereas earlier works focused on readers who were less familiar with green initiatives, this work squarely focuses on a new generation of marketers who likely themselves grew up with an appreciation of sustainability and who want and need to know how to connect effectively with mainstream consumers.

The New Rules of Green Marketing Jacquelyn A. Ottman, 2011-02-07 Green products have been around since the 1970s but it's only in recent years that they've become ubiquitous That's because savvy green marketers are no longer targeting deep green consumers with a save the planet pitch Instead they're promoting the added value their products provide better health superior performance good taste or cost effectiveness In this innovative

book Ottman argues that emphasizing primary benefits the New Rules is critical to winning over the mainstream consumer Drawing on the latest poll data and incorporating lessons learned from her clients and other leading sustainable brands including GE Nike Method Starbucks Timberland HP NatureWorks Procter Gamble Stonyfield Farm and Wal Mart Ottman provides practical strategies tools and inspiration for building every aspect of a credible value based green marketing strategy She covers such topics as spurring innovation through a proactive approach to sustainability developing products that are green throughout their life cycle communicating credibly to avoid accusations of greenwashing teaming up with stakeholders to maximize outreach to consumers taking advantage of social media and much more The New Rules of Green Marketing captures the best of Ottman s two previous groundbreaking books on green marketing and places it within a 21st Century context Focusing on a new generation of marketers who likely grew up with an appreciation for sustainability it provides in one place essential strategies tools and inspiration for connecting effectively with mainstream consumers

Earth Baby: a consumer guide for cruelty free and eco-friendly pregnancy and parenting Christa Martin, 2011

Tranquillista Kimberly Wilson, 2010 Encourages women to seek empowerment through spirituality philanthropy creativity fashion honesty and community building **Ethical Consumption** Tania Lewis, Emily Potter, 2013-01-11 A not so quiet revolution seems to be occurring in wealthy capitalist societies supermarkets selling guilt free Fairtrade products lifestyle TV gurus exhorting us to eat less buy local and go green neighbourhood action groups bent on swapping not shopping And this is happening not at the margins of society but at its heart in the shopping centres and homes of ordinary people Today we are seeing a mainstreaming of ethical concerns around consumption that reflects an increasing anxiety with and accompanying sense of responsibility for the risks and excesses of contemporary lifestyles in the global north This collection of essays provides a range of critical tools for understanding the turn towards responsible or conscience consumption and in the process interrogates the notion that we can shop our way to a more ethical sustainable future Written by leading international scholars from a variety of disciplinary backgrounds and drawing upon examples from across the globe Ethical Consumption makes a major contribution to the still fledgling field of ethical consumption studies This collection is a must read for anyone interested in the relationship between consumer culture and contemporary social life
