Nürnberg, 1300-1550 ,1986 **Race-ing Art History** Kymberly N. Pinder,2013-04-15 Race ing Art History is the first comprehensive anthology to place issues of racial representation squarely on the canvas Art produced by non Europeans has naturally been compared to Western art and its study which refers to a binary way of viewing both Each essay in this collection is a response to this vision to the distant mirror of looking at the other **Mirror of the World** Meg

Roland,2021-07-28 In the late fifteenth century the production of print editions of Claudius Ptolemy s second century Geography sparked one of the most significant intellectual developments of the era the production of mathematically based north oriented maps The production of world maps in England however was notably absent during this Ptolemaic revival As a result the impact of Ptolemy s text on English geographical thought has been obscured and minimalized with scholars speculating a possible English indifference to or isolation from European geographic developments Tracing English geographical thought through the material culture of literary and popular texts this study provides evidence for the reception and transmission of Ptolemaic based geography in England during a critical period of geographic innovation and synthesis one that laid the foundation for modern geographical representation With evidence from prose romance book illustration theatrical performance cosmological ceilings and almanacs Mirror of the World proposes a new interdisciplinary literary and cartographic history of the influence of Ptolemaic geography in England one that reveals the lively integration of geographic concepts through narrative and non cartographic visual forms **Art and Architecture of Late Medieval Pilgrimage in**
