Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 Gender Warriors Reading Contemporary Urban Fantasy offers classroom ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources focusing not only on popular examples such as Buffy the Vampire Slayer and Underworld but also on less studied works for instance Penny Dreadful and Anita Blake The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre This collection demonstrates the way that representations of gender and the kick ass female urban fantasy warrior have upended and reinforced a broad range of expectations and tropes making it a fascinating text for any course such as first year studies literature film gender studies sociology cultural studies history and more **The Atlas**, 1828 **Inhabited by Stories** Nancy A. Barta-Smith, Danette DiMarco, 2012-11-30 Intertextuality has signaled change appropriation adaptation and

derivation It has focused readers on irresolvable questions of influence and origination progressive or regressive movement across continents periods and media Inhabited by Stories Critical Essays on Tales Retold takes a different approach What would a model of literary study look like that steps out of time s river and embraces not only the presence and proximity of the world to the senses but also of the past and the future to the present here and now When stories inhabit us imagination and memory extend our ability to see and feel Phenomenological experience is lived not just thought Such a perspective suggests that the past and future inhabit the present increase the depth of sensory perception itself and enrich the range of our affective and ethical responses Grounded in the lived experience of reading this perspective offers an alternative to an idea of intertextuality as simply following lines of influence and appropriation It focuses on the expansion of experience created by telling and retelling stories Ironically for literary theorists and critics perhaps the highest form of both praise and critique is a tale retold since such retellings attest to literature s instructive power and its perennial regeneration

Visions of Whiteness in Selected Works of Asian American Literature Klara Szmańko,2015-03-07 Author Toni Morrison stressed the need to analyze race in American literature by white authors by shifting focus from the racial object to the racial subject Representations of whiteness in certain works by Asian American authors reveal what happens when the visual dynamics of ethnography are reversed and those persons often considered as objects Asian Americans other minorities are allowed to see and judge those who so often objectify them This study emphasizes social power structures the aesthetics of whiteness and transformational identity politics Works examined include Maxine Hong Kingston s *The Woman Warrior* 1976 and *China Men* 1980 and *The Fifth Book of Peace* 2003 Leonard Chang s *The Fruit N Food* 1996 and Joy Kogawa s *Obasan* 1981 *Videohound's Golden Movie Retriever* Jim Craddock,2006 Describes and rates more than twenty thousand videos and provides indexes by theme awards actors actresses and directors [The Saturday Evening Post](#) ,1916
