community which is known for its hypermasculine qualities Relying on interviews with fans of heavy metal the respondents describe their own music sub culture as having been dominated by men but they also note distinct signs of the progress women have made in the heavy metal culture on terms aspiring to equality with men Despite these changes gendered conditions driven by masculinity continue to exist for women in heavy metal Even as women are slowly finding their way to develop what might one day become but as of now not yet is a realized identity and culture of heavy metal feminism patterns of masculinity continue to hamper gender equity in this area of popular culture *The Patagonian Sublime* Marcos Mendoza,2018-10-01 The Patagonian Sublime provides a vivid accessible and cutting edge investigation of the green economy and New Left politics in Argentina Based on extensive field research in Glaciers National Park and the mountain village of El Chalt n Marcos Mendoza deftly examines the diverse social worlds of alpine mountaineers adventure trekkers tourism entrepreneurs seasonal laborers park rangers land managers scientists and others involved in the green economy Mendoza explores the fraught intersection of the green economy with the New Left politics of the N stor Kirchner and Cristina Fern ndez de Kirchner governments Mendoza documents the strategies of capitalist development national representation and political rule embedded in the green productivist agenda pursued by Kirchner and Fern ndez Mendoza shows how Andean Patagonian communities have responded to the challenges of community based conservation the fashioning of wilderness zones and the drive to create place based monopolies that allow ecotourism destinations to compete in the global consumer economy **The Sociology of Education** Jeanne Ballantine,Jenny Stuber,Judson Everitt,2021-07-29 The ninth edition of The Sociology of Education examines the field in rare breadth by incorporating a diverse range of theoretical approaches and a distinct sociological lens in its overview of education and schooling Education is changing rapidly just as the social forces outside of schools are and to present the material in a meaningful way the authors of this book provide a unifying framework an open systems approach to illustrate how the issues and structures we find in education are all interconnected Separate chapters are devoted to how schools help shape who has access to educational opportunities and who does not issues of race class and gender the organization of schools and the roles that make up educational settings and more Throughout the book readers will have an opportunity to engage with theories and issues that are discussed and to apply their newly obtained understanding in response to emerging and persistent problems in the educational system The new edition continues to be a critical point of reference for students interested in exploring the social context of education and the role education has in shaping our society It is perfect for sociology of education and social foundations of education courses at the undergraduate or early graduate level *Chicago Hustle and Flow* Geoff Harkness,2014-09-01 On September 4 2012 Joseph Coleman an eighteen year old aspiring gangsta rapper was gunned down in the Englewood neighborhood of Chicago Police immediately began investigating the connections between Coleman s murder and an online war of words and music he was having with another Chicago rapper in a rival gang In Chicago Hustle and Flow Geoff Harkness points out how

common this type of incident can be when rap groups form as extensions of gangs Gangs and rap music he argues can be a deadly combination Set in one of the largest underground music scenes in the nation this book takes readers into the heart of gangsta rap culture in Chicago From the electric buzz of nightclubs to the sights and sounds of bedroom recording studios Harkness presents gripping accounts of the lives beliefs and ambitions of the gang members and rappers with whom he spent six years A music genre obsessed with authenticity gangsta rap promised those from crime infested neighborhoods a ticket out of poverty But while firsthand experiences with gangs and crime gave rappers a leg up it also meant carrying weapons and traveling collectively for protection Street gangs serve as a fan base and provide protection to rappers who bring in income and help to recruit for the gang In examining this symbiotic relationship Chicago Hustle and Flow ultimately illustrates how class stratification creates and maintains inequalities even at the level of a local rap music scene
