Forthcoming Books Rose Army, 2003 *Stabilising Fragile Democracies* Paul Lewis, Geoffrey Pridham, 2002-11-01 Political parties play a central if not the central political role in parliamentary democracies They are also likely to play a key role in the establishment of new parliamentary democracies This volume provides a systematic comparison of the democratic transitions in both Eastern and Southern Europe from this point of view There are four main themes concerning the role of parties that are examined coping with the past party identities and inheritances the formation and performance of new democratic political elites parties and alliances and their electoral behaviour These themes guide the case studies which are written in comparative perspective in four countries in both Southern and Eastern Europe The countries covered include Italy Spain Greece Portugal Hungary Romania Poland and Bulgaria Democratization is a very complex process but what the study of political parties does is to focus on an area that links many of them This book is intended to be a guide to students wishing to make sense of democratization and the role of political parties in that process

Current Publications in Legal and Related Fields, 1997 **European Access**, 1995 **People of Today**, 2006 **The State and Big Business in Russia** Tina Jennings, 2021-12-28 This book presents a study of the complex relationship between the Russian state and big business during Vladimir Putin's first two presidential terms 2000-2008 Based on extensive original research it focuses on the interaction of Russia's political executive with the oligarchs It shows how Putin's crackdown on this elite group led big business to accept new rules of the game and how this was accompanied by the involvement of big business in policy formulation particularly through the organisational vehicle of the Russian Union of Industrialists and Entrepreneurs RSPP It goes on to discuss why Yukos and its CEO Mikhail Khodorkovsky were targeted by Russia's political authorities and the resultant consequences namely the end of the relatively successful framework via which state business relations had been managed and its replacement by fear and mutual distrust along with a vastly expanded role for the state and state related actors in the Russian corporate sector The book explores all these developments in detail and sets them against the context of continued trends towards greater authoritarianism in Russia
