present day adaptations The stories discussed in detail so the argument goes identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle class identity Apart from its audacious link between psychoanalysis and Marxist feminist as well as postcolonial ideology criticism this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and trans national identities In doing so it offers a fresh look at beloved tales like Alice s Adventures in Wonderland The Wizard of Oz and Peter Pan contributes to the dynamic field of adaptation studies and highlights the necessity to approach children s entertainment more seriously and more sensitively than it is generally the case
