Sozialutopien der Neuzeit Andreas Heyer, 2008 **Narratives of Kingship in Eurasian Empires, 1300-1800** Richard van Leeuwen, 2017-08-28 In *Narratives of Kingship in Eurasian Empires 1300 1800* Richard van Leeuwen analyses representations and constructions of the idea of kingship in fictional texts of various genres especially belonging to the intermediate layer between popular and official literature The analysis shows how ideologies of power are embedded in the literary and cultural imagination of societies their cultural values and conceptualizations of authority By referring to examples from various empires Chinese Indian Persian Arabic Turkish European the parallels between literary traditions are laid bare revealing remarkable common concerns The process of interaction and transmission are highlighted to illustrate how literature served as a repository for ideological and cultural values transforming power into authority in various imperial environments **Noble Lies, Slant Truths, Necessary Angels** Ellis Shookman, 2020-05-01 Using the nine novels of Christoph Martin Wieland 1733 1813 as case studies Shookman explores the notion of fictionality both as a distinctive feature of the stories themselves and as a distinguishing characteristic of the fanciful notions moral laws political utopias religious beliefs and artistic concepts that they describe The novels show readers why they should take fictions seriously yet not literally or how to suspend disbelief without suspending judgment Shookman uses the concepts of imagination ideals and illusion to investigate how Wieland s novels define fiction know its referents and accept its truths He places Wieland s use of fictionality in the evolution of the German novel while also using his work to comment on academic and real world implications of fictionality *Bulletin Cincinnati* (Ohio), Public Library, 1883 *Annual List of Books Added to the Public Library of Cincinnati* Public Library of Cincinnati and Hamilton County, 1883 **Bulletin of Books in the Various Departments of Literature and Science Added to the Public Library of Cincinnati During the Year...** Public Library of Cincinnati and Hamilton County, 1883 **Oriens , Volume 36** Volume 36 Brill, R.
