Good Strapline For Music Festivals:

The Pop Festival George McKay, 2015-05-21 I'm going to camp out on the land try and get my soul free So sang Joni Mitchell in 1970 on Woodstock But Woodstock is only the tip of the iceberg Popular music festivals are one of the strikingly successful and enduring features of seasonal popular cultural consumption for young people and older generations of enthusiasts From pop and rock to folk jazz and techno under stars and canvas dancing in the streets and in the mud the pleasures and politics of the carnival since the 1950s are discussed in this innovative and richly illustrated collection *The Pop Festival* brings scholarship in cultural studies media studies musicology sociology and history together in one volume to explore the music festival as a key event in the cultural landscape and one of major interest to young people as festival goers themselves and as students

Hack Graham Johnson, 2012-05-10 Graham Johnson was a fresh faced journalist with an ambition to break the big news stories and make his name as a star reporter when an offer came in to work at a leading tabloid he couldn't say no Instantly he found himself drawn into a world of sleaze spin and corruption where bending the law was justifiable in the hunt for the big selling story and bending the truth was the norm Against his better judgement Graham found his niche in this new world and what's more he found that he was good at it In his time at first the *News of the World* then the *Sunday Mirror* he made a name for himself as a man who could deliver the story no matter what a kind of tabloid terrorist who rifled through celebrity's rubbish bins stalked out politicians hotel rooms and paid up page three girls to seduce Premiership footballers all in the name of scoring a front page story Hack is a compelling and intoxicating story of one man's time in the tabloid jungle a world that in its heady mix of sex drugs and casual immorality is reminiscent of the City and how he ultimately saved himself

Global Media, Biopolitics, and Affect Britta Timm Knudsen, Carsten Stage, 2014-12-05 *Global Media Biopolitics and Affect* shows how mediations of bodily vulnerability have become a strong political force in contemporary societies In discussions and struggles concerning war involvement healthcare issues charity democracy movements contested national pasts and climate change performances of bodily vulnerability is increasingly used by citizens to raise awareness create sympathy encourage political action and to circulate information in global media networks The book thus argues that bodily vulnerability can serve as a catalyst for affectively charging and disseminating particular political events or issues by means of media To investigate how when and why that happens and to evaluate the long term social impacts of mediating bodily vulnerability the book offers a theoretical framework for understanding the role of bodily vulnerability in contemporary digital media culture Likewise it presents a range of close empirical case studies in the areas of illness blogging global protests after the killing of Neda Agha Soltan in Iran charity communication green media activism online war commemoration and digital witnessing related to conflicts in Sarajevo and Ukraine

Managing Organisational Success in the Arts David Stevenson, 2018-10-10 The creative and cultural industries are a dynamic and rapidly expanding field of enterprise Yet all too often the dominant narrative about arts organisations is one of crisis collapse and closure This edited collection seeks to challenge that narrative through pursuing a focus on organisational success in the management of creative and cultural organisations This book offers a robust and in depth analysis of nine international case studies exploring how different organisations have achieved their objectives through effectively managing their resources Spanning a broad cross section of the cultural sector including Theatres Multi Arts Venues Performing Arts Companies Museums and Galleries and Festivals and Events these cases highlight the importance of examining an individual organisation's success in relation to its environmental context revealing not only how arts organisations work in practice but also providing inspiration and encouragement for those wishing to emulate such success With an explicit focus on examining theory in practice this unique collection will be of great interest to students academics and practitioners alike While traditional approaches have often been overly theoretical this pragmatic approach will help students to gain a richer understanding of how to manage cultural and creative organisations more effectively

Rigorous Magic Steve Hatch, Jim Taylor, 2009-08-19 In the marketing world communication ideas are revered for their magical ability to affect how consumers behave towards brands Despite this they are poorly understood How many types are there What are their characteristics How should you use them And what makes a good one Most marketers simply cannot answer these questions Rigorous Magic answers these questions bringing science to the art of ideas Jim Taylor and Steve Hatch dispel the

myths around communication ideas and create a practical road map for marketers to select which types are best for their brand to compete Only through a rigorous process of cataloguing and evaluation can ideas truly be understood and the right ones selected to change consumer behaviour in today s global multi channel marketing world **Early Music News** ,1997
